Re: STATEMENT OF FACT

Our 2021 filing was made, by me, the treasurer and registered agent, on 1/29/21 – and that record is complete and has not changed.

300384728093

On April 20, 2021, a member of our organization made another filing – without my knowledge or consent. It is incorrect.

I will file an amendment, as required, through the website to correct the erroneous filing.

I'll have this "Statement of Fact" notarized and sent to you.

Thank you for your help.

Paula Leighton
