Our Vision: A World Without Stuttering.

Our Mission: Based on a breakthrough scientific approach towards education, we provide free on-line resources, information support, and education about algorithms and recently discovered standards of natural speech to those who stutter and their families so they can enable themselves or their loved ones to eliminate stuttering effectively and permanently.

Speech Academie Etalon International by R.A. Snezhko, Inc. explains stuttering as the result of improper programing of the mind and the lack of coordination of natural speech skills.

As one of the first charitable organizations in the world assisting stuttering individuals with our proven methods, we have helped growing numbers of stuttering individuals in their independent efforts to eliminate their stuttering effectively and permanently.

- 2.) We are a nonprofit charitable organization dedicated to serving and willingly share our gifts, abilities, training, and experiences to provide humanitarian assistance and education, through an outreach of love and compassion. We are also committed to providing an outlet for corporations to share their abundance with those in need, to be used for humanitarian and charitable purposes.
