ARTICLE V  
PURPOSE AND POWERS OF THE ASSOCIATION

The Association does not contemplate pecuniary gain or profit to the Members thereof. The Association shall not pay dividends and no part of any income of the Association shall be distributed to its Members, directors or officers. The Association shall have all the powers of a non-profit corporation organized under the laws of the State of Florida, subject only to such limitations upon the exercise of such powers as are expressly set forth in these Articles, the Bylaws, or the Declaration. The Association shall have the power and duty to do any and all lawful things which may be authorized, assigned, required or permitted to be done by the Declaration, these Articles or the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of this Association for the benefit of the Owners and for the maintenance, operation and improvement of the Property and the Common Property. with applicable District rules. To the extent provided in the Declaration, the Association shall levy and collect adequate assessments against Members of the Association for the costs of operation, maintenance and management of the Surface Water Management System.

ARTICLE VI  
MEMBERSHIP

**Members.** Every person or entity who is a record Owner of a fee interest in any Lot in the Property shall be a Member of the Association. Declarant shall also be a Member for so long as Declarant owns any portion of the Property. Notwithstanding anything else to the contrary set forth in this Article, any such person or entity who holds such interest merely as security for the performance of an obligation shall not be a Member of the Association. The Association membership of each Owner (other than Declarant) shall be appurtenant to and may not be separated from the Lot giving rise to such membership, and shall not be transferred except upon the transfer of title to said Lot and then only to the transferee of title thereto. Any prohibited separate transfer shall be void. Any transfer of title to a Lot shall operate automatically to transfer the membership in the Association appurtenant thereto to the new Owner thereof.

**Voting Rights.** A Member's right to vote on the affairs of the Association shall vest immediately upon such Member's qualification for membership as provided in these Articles and the Bylaws of the Association. All voting rights of a Member shall be exercised in accordance with and subject to the restrictions and limitation provided in these Articles, the Bylaws, the Declaration, and any other rules and regulations of the Association. In all Association voting matters, each Member shall be entitled to one (1) vote per gross leasable square foot of space constructed within the improvements in the Lot owned by the Member.

**Multiple Owners.** Each vote in the Association must be cast as a single vote, and fractional votes shall not be allowed. If joint or multiple Owners are unable to agree among themselves as to how their vote is to be cast, none of the votes for that Lot shall be counted. If any Owner casts a vote on behalf of a Lot, it shall be conclusively presumed that Owner was acting with the authority and consent of all other Owners of that Lot.

ARTICLE VII  
BOARD OF DIRECTORS

The affairs of this Association shall be managed and administered by a Board of Directors consisting of one (1), three (3), five (5), or seven (7) members. Initially, the Board shall consist of one (1) member, with the number in subsequent years to be determined by the members of the Board; provided that there shall always be an odd number of directorships created. The number of directors may be changed by amendment to the Bylaws of the Association. The name and address of the person who is to act in the capacity of director until appointment or election of his successor is:

NAME	ADDRESS

Each Director shall be entitled to one vote in Association voting matters.

At all times while Declarant is a Member of the Association, Declarant shall appoint a majority of the Directors of the Association. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant-owned voting interests in the same manner as any other Owner,

except for purposes of re-acquiring control of the Association or selecting the majority of the members of the Board of Directors. Interim vacancies in the Board of Directors shall be filled by Declarant until Declarant has no authority to appoint Directors and thereafter by the majority of the remaining Directors, and any such appointed Director shall serve for the remaining term of his or her predecessor. After Declarant relinquishes its right to appoint the Board of Directors, the Members shall elect three (3) directors by majority vote, for staggered terms of three (3) years each. To create the staggered post shall become vacant in one (1) year and a successor director shall be elected. The second post shall be deemed vacant at the end of the second year, and a successor director shall be elected. Limitations. No amendment shall be made that is in conflict with the Declaration.

#### ARTICLE XI BYLAWS

The Bylaws of the Association shall be adopted by the Board of Directors and may be altered, amended, or rescinded in the manner provided in the Bylaws.

#### ARTICLE XII INDEMNIFICATION OF OFFICERS AND DIRECTORS

The Association shall defend, indemnify and hold harmless any officer or Member of the Board of Directors, committee member, employee or agent of the Association who is made a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit or proceedings, whether civil, criminal, administrative, or investigative, by reason of the fact that he or she is or was a director, officer, committee member, employee or agent of the Association:

From and against expenses (including reasonable attorneys' fees for pretrial, trial, appellate, administrative, arbitration or mediation proceedings), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her in connection with an action, suit, or proceeding (other than one by or in the right of the Association), if he or she acted in good faith, and, with respect to any criminal action or proceedings, he or she had no reasonable cause to believe his or her conduct was unlawful; and

From and against expenses (including reasonable attorneys' fees for pretrial, trial, appellate, administrative, arbitration or mediation proceedings) actually and reasonably incurred by him or her in connection with the defense or settlement of an action or suit by or in the right of the Association, if he or she acted in good faith.

The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith, or, with respect to any criminal action or proceeding, that such person had reasonable cause to believe that his or her conduct was unlawful.

Notwithstanding any other provision hereof to the contrary, no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or misconduct in the performance of his or her duty to the Association.

Any indemnification under this Article XII (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director or officer, committee member, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth above. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit, or proceeding, or (b) if such quorum is not obtainable, or even if obtainable and a quorum of disinterested Directors so directs, by a majority vote of Members of the Association.

Expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association from time to time as incurred rather than only after the final disposition of such action, suit, or proceeding. Payment of such expenses shall be authorized by the Board of Directors in each specific case only after receipt by the Association of an undertaking by or on behalf of the director or officer to repay such amounts if it shall later develop that he or she is not entitled to be indemnified by the Association.

The indemnification provided by this Article shall not be deemed exclusive of any other rights to which the Association's directors, officers, committee members, employees or agents may be entitled under the Association's Bylaws, agreement, vote of Members or disinterested directors, or otherwise, both as to actions in their official capacities and as to action in another capacity while holding such offices or positions, and shall continue as to a person who has ceased to be a director, officer, committee member, agent or employee and shall inure to the benefit of the heirs, executors and administrators of such a person.

Notwithstanding the foregoing provisions, indemnification provided under this Article shall not include indemnification for any action of a director, officer, committee member, agent or employee of the Association for which indemnification is deemed to be against public policy. In the event that indemnification provided under this Article is deemed to be against public policy, such an event shall not invalidate or affect any other right or indemnification herein provided.

The Association shall have the power, but shall not be obligated, to purchase and maintain indemnification insurance to provide coverage for any liability asserted against any director, officer, committee member, agent or employee of the Association in any of his or her capacities as described in this Article, whether or not the Association would have the power to indemnify him or her under this Article.

Any person requesting indemnification shall first look to any insurance maintained by the Association for indemnification against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement (as described above). The Association shall be obligated to indemnify such person (if entitled to indemnification by the Association) only to the extent such insurance does not indemnify such person. In the event that any expenses, judgments, fines, or amounts paid in settlement are paid pursuant to insurance maintained by the Association, the Association shall have no obligation to reimburse the insurance company.

#### ARTICLE XIII INCONSISTENCY

In the event of any inconsistency between the terms and provisions contained in the Declaration and those contained in these Articles of Incorporation, the terms and provisions of the Declaration shall prevail.
