To Whom it May Concern,

Our group had paid a company online to file our corporation status and file the paperwork needed to make us a tax-exempt group so that we could apply for performing arts grants for the kids. We sadly paid (in process of requesting a refund through credit services) a faceless online group that did not as far as we can see file any documents.

If there is any way to speed up our filing please let us know - we started the process 10/14/2014 and would like it in place as soon as possible.

Thank You,  
Eugenia G Zambrano
