Mission In Action

MIA Inc. is a non-for profit organization under IRS regulation 501(c)(4).

Mission Statement:

MIA Inc. is a faith based foundation with a commitment to enrich the lives of the poor, neglected and excluded people throughout the world, by providing opportunities of growth through humanitarian services and projects.

Purpose of Organization:

Our organization focuses on issues of global concern. We aim to provide a place of empowerment and healing to those who have experienced extreme poverty, abuse and neglect and to those who have witnessed the atrocities of persecution or discrimination. We are a humanitarian service foundation that services all ages, groups, races and cultures. We strive to help youngsters living below poverty line and in inhuman conditions find opportunities for growth; and help elders who are neglected to find a helping hand to accompany them through the last chapter of their lives.

Our goal is to improve habitats and provide living necessities to those in need; and to help them balance their resources with their basic needs. We help under privileged people who are struggling socially, emotionally and economically to find support and care while promoting their general health and wellbeing.

We recognize that the most direct way to experience a fuller life is through serving others. We unite those seeking a more meaningful life with those in this great need by channeling this spiritual inspiration into humanitarian services. And through our work we help people find peace in their hearts and meaning to their lives through service. We see this service as an opportunity to give and to receive in a very real and powerful way.
