4.2 Enumeration. The Association shall have all of the powers and duties set forth in the Act, and all of the powers and duties reasonably necessary to operate the Condominium pursuant to the Declaration and as more particularly described in the By-Laws, as they may be amended from time to time, including, but not limited to, the following:

(a) To make and collect Assessments (including Special Assessments) and other charges against members as Unit Owners, and to use the proceeds thereof in the exercise of its powers and duties.

(b) To purchase, own, operate, lease, sell, trade and mortgage both real and personal property.

A Director is not liable for any action taken as a director, or any failure to take action, if he performed the duties of his office in compliance with the foregoing standards.

ARTICLE 10

INDEMNIFICATION

10.1 **Indemnity.** The Association shall indemnify any person who was or is a party to any proceeding by reason of the fact that he is or was a director, employee, officer, agent or committee member (each, an "Indemnatee") of the Association, against liability incurred by him in connection with such proceeding, unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed indemnatee, that he did not act in good faith or acted in a manner he reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or did act in a manner which he reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.

10.2 **Indemnification.** The Association shall indemnify any person, who was or is a party to any proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, or agent of the Association against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall be authorized if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association, except that no indemnification shall be made under this subsection in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

10.3 **Expenses.** To the extent that an Indemnatee has been successful on the merits or otherwise in defense of any proceeding referred to in Section 10.1 or 10.2, above, or in defense of any claim, issue or matter therein; he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith.

10.4 **Advancing Expenses.** Expenses incurred by an officer or director in defending a civil or criminal proceeding shall be paid by the Association in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of the affected director or officer to repay such amount if he is ultimately found not to be entitled to indemnification by the Association as authorized in this Article 10. Expenses incurred by other Indemnitees may be paid in advance upon such terms and condition as the Board deems appropriate.

10.5 **Determination of Applicability.** Any indemnification under subsection 10.1 or subsection 10.2, unless pursuant to a determination by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper under the circumstances because he has met the applicable standard of conduct set forth in subsection 10.1 or subsection 10.2. Such determination shall be made:

(a) By the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such Proceeding;

(b) If such a quorum is not obtainable or, even if obtainable by majority vote of a committee duly designated by the Board of Directors (in which directors who are parties may participate) consisting solely of two or more Directors not at the time parties to the proceeding;

(c) By independent legal counsel:

(i) selected by the Board of Directors prescribed in Paragraph (a) or the committee prescribed in subparagraph (b); or

(ii) if a quorum of the Directors cannot be obtained for paragraph (a) and the committee cannot be designated under paragraph (b), selected by majority vote of the full Board of Directors (in which Directors who are parties may participate); or

(d) By a majority of the voting interests of the members)f the Association who were not parties to such proceeding.

10.6 Determination Regarding Expenses. Evaluation of the reasonableness of expenses and authorization of indemnification shall be made in the same manner as the determination that indemnification is permissible. However, if the determination of permissibility is made by independent legal counsel, persons specified by paragraph 10.1(c) shall evaluate the reasonableness of expenses and may authorize indemnification.

10.7 Exclusivity; Exclusions. The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any By-Law, agreement, vote of members or otherwise. However, indemnification shall not be made to or on behalf of, and all advanced expenses shall be repaid by, any Indemnitee if a judgment, or other final adjudication establishes that his actions, or omissions to act, were material to the cause of action so adjudicated and constitute: (a) a violation of the criminal law, unless the Indemnitee had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful; (b) a transaction from which the director, officer, employee or agent derived an improper personal benefit; or (c) willful misconduct or a conscious disregard for the best interest; of the Association in a proceeding by or in the right of the Association to procure a judgment in its favor. The indemnification and advancement of expenses provided by this Article shall continue, unless otherwise provided when authorized or ratified, as to a person who has ceased to be a director, officer, employee, agent or committee member and shall inure to the benefit of the heirs and personal representatives of such person, unless otherwise provided when authorized or ratified.

10.8 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was an Indemnitee of the Association, or is or was serving, at the request of the Association, as a director, officer, employee, agent or committee member of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

10.9 Alternative Relief. Despite any contrary determination of the Board of Directors to provide indemnification in any particular case, an Indemnitee of the Association who is or was a party to a proceeding may apply for indemnification or advancement of expenses, or both, to the court conducting the proceeding, to the Circuit Court, or to another court of competent jurisdiction.

10.10 Continuing Effect. Indemnification and advancement of expenses as provided in this section shall continue as, unless otherwise provided when authorized or ratified, to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person, unless otherwise provided when authorized or ratified.

10.11 Definitions. For purposes of this Article 10, the term "expenses" shall be deemed to include attorneys' fees, including those for any appeals; the term "liability" shall be deemed to include obligations to pay a judgment, settlement, penalty, fine, and expenses actually and reasonably incurred with respect to a proceeding; and the term "proceeding" shall be deemed to include any threatened, pending, or completed action, suit, or other type of proceeding, whether civil, criminal, administrative or investigative, and whether formal or informal; and the term "agent" shall be deemed to include a volunteer, the term "serving at the request of the Association" shall be deemed to include any service as a director, officer, employee or agent of the Association that imposes duties on such persons.

10.12 Amendment. Anything to the contrary herein notwithstanding, no amendment to the provisions of this Article 10 shall be applicable as to any Indemnitee who has not given his prior written consent to such amendment.
