**ARTICLE VII  
INDEMNIFICATION OF OFFICERS, DIRECTORS AND COMMITTEE MEMBERS**

The Association hereby indemnifies any director, officer or Association committee member made a party to or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

A. whether civil, criminal, administrative or investigative, (other than one by or in the right of the Association to procure a judgment in its favor), brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as director, officer or committee member, or in his capacity as director, officer, employee or agent of any corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein. If such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such director, officer, or committee member did not act in good faith and in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful; and

B. by or in the right of the Association to procure a judgment in its favor by reason of his being or having been a director, officer or committee member for the Association or by reason of his being or having been a director, officer, employee or agent of any corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith and in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to

indemnification in relation to matters as to which such person has been adjudged to have been guilty of gross negligence or willful misconduct in the performance of his duty to the Association unless and only to the extent that the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

The Board of Directors shall determine whether amounts for which a director, officer or committee member seeks indemnification were properly incurred and whether such director or officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding.

The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

AMENDMENTS**

These Articles of Incorporation of the Association may be amended, altered or rescinded as provided in the Florida Not-For-Profit Corporation Act; provided, however, that no such amendments shall conflict with the terms of the Declaration or adversely affect the rights of Developer, without Developer's prior written approval; and provided further that no amendment, alteration or rescission may be made which impairs the rights or privileges of any Institutional Mortgagee, without the express, prior written consent of the Institutional Mortgagee so affected.
