In the event the Subject Property is ever re-platted to add or delete Lots within the Subject Property, the number of total Class A Members in the Association shall automatically adjust pursuant to the number of such Lots on the new plat.

(b) **Class B Members.** The Class B Members shall be exclusively comprised of Owners of Tracts. Each Tract Owner shall only have one (1) Class B

membership in the Association, regardless of whether the Person owns more than one (1) Tract. In the event the Subject Property is ever re-platted to add or delete Tracts within the Subject Property, the number of total Class B Members in the Association shall automatically adjust pursuant to the number of such Tracts on the new plat.

Membership is restricted to Owners and is not intended to include persons or entities that hold an interest in a Lot or Tract merely as security for the performance of an obligation. Membership shall run with the land and be appurtenant to and may not be separated from ownership of any Lot or Tract.

5.2 Transfer of Membership. Transfer of a membership in the Association shall be established by the recording in the County's official public records of a deed or other instrument establishing a transfer of record title to any Lot and/or Tract for which membership has already been established. The Owner designated by such instrument of conveyance thereby becomes a Member, and the prior Member's membership thereby is terminated. In the event of death of a Member, her/his membership shall be automatically transferred to her/his heirs or successors in interest. Notwithstanding the foregoing, the Association shall not be obligated to recognize a transfer of membership until such time as the Association receives a true copy of the recorded deed or other instrument establishing the transfer of ownership of the Lot and/or Tract, and it shall be the responsibility and obligation of the former and the new Owner of the Lot and/or Tract to provide such true copy of said recorded instrument to the Association.

ARTICLE VI **VOTING RIGHTS**

6.1 Number of Votes. For any vote of the Members, each Class A Member shall have one (1) equal vote for each whole Useable Acre comprising the Lot(s) owned by such Class A Member. For any Class A Member that owns Useable Acres above one (1) acre, votes shall be allocated only to the number of whole Useable Acres (there shall not be any vote allocated to any fraction of a Useable Acre). For any Class A Member that owns less than one (1) Useable Acre, the Member shall be allocated one (1) vote. Class B Members shall not hold any voting rights in the Association.

6.2 Voting by Co-Owners. If a Lot is owned by more than one (1) Owner, the co-owners shall share the voting privileges of such membership as a single Class A Member, subject to reasonable Board regulation and the restrictions on voting set forth in these Articles and the Bylaws.

6.3 Proxies. Except as otherwise specifically set forth in these Articles or the Bylaws, every Member of the Association that is entitled to vote at a meeting of the Members or otherwise express consent or dissent on any matter, may authorize another person to act on the Member's behalf by a proxy signed by such Member.

Any proxy shall: be in writing; be dated; specify the Lot(s) and Useable Acre(s) (for votes) or Tract(s) for which it is given; state the date, time, and place of the meeting for which it is given; be signed by the Member or her/his/its duly authorized attorney-in-fact; and be provided to the Association's Secretary, or the person acting as Secretary at the meeting, at or prior to the time

designated in the order of business for so delivering such proxies. A proxy is only effective for the specific meeting and/or vote for which it was given, and as the meeting and/or vote may law fully be reconvened from time to time. However, a proxy automatically expires ninety (90) calendar days after the original date of the meeting and/or vote for which it was given; unless a shorter period is specified in the proxy. Unless otherwise specifically provided for in the proxy, a proxy shall be presumed to cover all votes which the Member giving such proxy is entitled to cast for the specified Lot(s), and in the event of any conflict between two (2) or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both proxies shall be deemed invalid.

Every proxy shall be freely revocable by the Member executing it at any time prior to the specific meeting and/or vote for which it was given, and shall automatically cease upon: (a) receipt by the Secretary of written notice of revocation of the proxy, (b) conveyance of any Lot and/or Tract for which it was given, (c) the death of the Member giving the proxy, (d) the judicially declared incompetence of a Member who is a natural person, and/or (e) ninety (90) calendar days after the original date of the meeting and/or vote for which it was given.

ARTICLE VII

ARTICLE IX

INDEMNIFICATION OF DIRECTORS AND OFFICERS

9.1 Indemnification and Defense of Directors, Officers, and other Agents of the Board. The Association shall indemnify, defend, and hold harmless any natural person from and against any liability, when the person was or is a party or is threatened to be made a party, to any contemplated, pending, or threatened action or proceeding (whether civil or criminal) by reason of the fact that such person is or was the Association's: director, officer, committee member, member of a subordinate board, and/or direct employee (expressly meaning to exclude any agents hired by the Association to perform services and/or provide goods, e.g., a management company and its employees) (the "**Indemnified Parties**"). Such Indemnified Parties shall not be personally liable for any mistake of judgment - negligent or otherwise - or with respect to any contract or other commitment made or action taken, which was made in good faith on behalf of the Association, and the Association shall indemnify, defend, and hold harmless such Indemnified Parties from any liability and reasonable expenses actually incurred which results from such conduct. This indemnity, defense, and hold harmless obligation includes all costs, expenses, and fees incurred by the Indemnified Party incident to an action or proceeding, but not limited to and without limitation: (a) damages claimed against the Indemnified Party; (b) fines levied against the Indemnified Party; (c) judgments entered against the Indemnified Party; (d) reasonable Attorneys' Fees and Costs; (e) settlement amounts actually and reasonably incurred by the Indemnified Party (provided the Association was given reasonable written notice of, an opportunity to participate in, the settlement). For any civil action or proceeding, this indemnity, defense, and hold harmless obligation only applies if the Indemnified Party's alleged conduct was performed in good faith and in a manner the Indemnified Party reasonably believed to be in, or not opposed to, the best interest of the Association. For any criminal action or proceeding, this indemnity, defense, and hold harmless obligation only applies if either: the Indemnified Party is adjudicated not guilty; the Indemnified Party had no reasonable cause to believe the alleged conduct was unlawful; ~~or upon~~ such Indemnified Party being adjudicated guilty of gross negligence (or an equivalent or ~~lesser mens rea~~) in the performance of the Indemnified Party's duty to the Association, then only to the extent the Board determines that despite the guilty adjudication in view of all the circumstances of the case such Indemnified Party should fairly and reasonably be indemnified (and in such cases only for such expenses which the Board shall deem proper). This indemnity, defense, and hold harmless obligation only applies to the extent the Indemnified Party remains personally liable, and shall be deemed waived if the Indemnified Party fails to participate in good faith in the defense of the liability (e.g. waiver will occur if the Indemnified Part enters into any "Mary Carter" Agreements, "Snapp" Agreements, "Gallagher" Agreements, "High-Low" Agreements, "Litigation-Loan" Agreements, Claims Assignment Agreements, and/or any other agreement whereby the Indemnified Party seeks to limit and/or avoid her/his own personal liability in a manner adverse to the Association's interests). This indemnity, defense, and hold harmless obligation shall not be

construed to require the Association to reimburse any insurance company or surety claiming subrogation for any fees and/or costs incurred in defending the Indemnified Party under an insurance policy or bond.

9.2 Advances under a Reservation of Rights. Any costs, expenses, and fees incurred pursuant to this **Article IX** in defending any Indemnified Party in a civil or criminal action or proceeding which are expended by the Association under a reservation of rights and in advance of the final disposition of such action or proceeding, shall be reimbursed by the Indemnified Party to the Association if a Court ultimately determines that the Indemnified Party was not entitled to defense and/or indemnification of the subject action or proceeding pursuant this **Article IX**.

9.3 Non-Exclusivity and Survival. The indemnification, defense, and hold harmless rights provided by this **Article IX** shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Applicable Law, the Declaration, these Articles, the Bylaws, any agreement, or otherwise. The indemnification, defense, and hold harmless rights provided by this **Article IX** shall: **(a)** continue as to any Indemnified Party who has ceased to hold the position, but only for claims, causes of action, and/or other such liabilities which accrued during the period in which s/he held the position; and **(b)** shall inure to the benefit of the administrators, executors, and/or heirs of such Indemnified Party to the same extent as would otherwise be held by the Person if still alive.

9.4 Insurance. The Association shall have the power (but not the obligation) to purchase and maintain insurance on behalf of any person who is or was a director, officer, committee member, member of a subordinate board, and/or agent or employee of the Association, or is or was serving at the request of the Association as a director, officer, committee member, member of a subordinate board, and/or agent or employee of another corporation, joint venture, partnership, trust, or other enterprise, against any liability asserted against the person arising out of any such capacity – regardless of whether the Association would have the obligation or power to indemnify the person against such liability under the provisions of this **Article IX**.

9.5 Amendments. Notwithstanding anything to the contrary in these Articles, the provisions of this **Article IX** may not be amended and/or supplemented without the prior written consent of all Members whose interest would be adversely affected by such amendment and/or supplement.

ARTICLE X **BYLAWS**

10.1 The initial Bylaws of the Association shall be adopted by the Board and may be altered, amended, and/or rescinded in the manner provided by the Bylaws.

ARTICLE XI **INCOME DISTRIBUTION**

11.1 No part of the income of the Association shall be distributable to its directors, Members, or officers, except as commercially reasonable compensation for services rendered.
