Dear Ms. Brown:

Hope this all is well with you and yours.

I have sent the application a few months back and was returned inquiring correction. My apologies, between school and two jobs, I thought I had three months or so to reply.

I just recently checked and realized it is way past due.

Ma'am, I am very sorry and would like to continue with the process.

I do hope you will find it in your heart to proceed, much appreciated.

Sincerely,

A handwritten signature in black ink, appearing to be 'Patrick Pierre', with a stylized, cursive script.

We have received your document for PATJR LEGACY, INC. and your check(s) totaling \$87.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

Section 617.0202(d), Florida Statutes, requires the manner in which directors are elected or appointed be contained in the articles of incorporation or a statement that the method of election of directors is as stated in the bylaws.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
