We also promote our purpose by utilizing social media channels and the corporation's website to provide facts, statistics, and other related data on causes, current efforts and solutions to help bring about changes necessary to eradicate undetected heart disease in youth/families and to educate the benefits of saving lives through organ donation.

To maximize our impact on current efforts, we may seek to collaborate with other non-profit organizations which fall under the 501(c)(3) section of the internal revenue code and are operated exclusively for educational and charitable purposes.

At times, per the discretion of the board of directors, we may provide internships or volunteer opportunities which will provide opportunities for involvement in said activities and programs in order to have a greater impact for change.
