Part II. Activities and Operational Information (Must be completed by all applicants)

- 1 Provide a detailed narrative description of all the activities of the organization—past, present, and planned. Do not merely refer to or repeat the language in the organizational document. List each activity separately in the order of importance based on the relative time and other resources devoted to the activity. Indicate the percentage of time for each activity. Each description should include, as a minimum, the following: (a) a detailed description of the activity including its purpose and how each activity furthers your exempt purpose; (b) when the activity was or will be initiated; and (c) where and by whom the activity will be conducted.

Concealed Carry Association of America [CCAOA] will take action to preserve and strengthen The Second Amendment (2nd Amendment) to The Constitution of The United States of America. It will provide a continuous "town hall meeting" on CCAOA.com message boards to facilitate interaction between those who become members. In addition, education informing members concerning all the rights and privileges of 'concealed carry' in America will be provided through links to videos, documents, books, speeches, news articles, training classes, etc. The history of the founding of our country will be emphasized in the educational activities. That history includes the debates while drafting The Second Amendment and its application up to and including the present day. The Association will facilitate "building bridges of trust and mutual respect" between our membership and every law enforcement officer (especially Sheriffs and their deputies) in The United States. Members will be allowed to post current events occurring in our society and their opinions about those events. CCAOA will provide decals, tee shirts, caps/hats, insignias, belt buckles, and other similar merchandise that identifies members of our Association. All net revenues from our activities will be distributed to various religious, charitable, educational, and fraternal organizations. The activities listed will be initiated on the day of launch of CCAOA.com which will come in the latter half of 2016. Each of these activities will be of equal importance. All activities will be managed by persons appointed by J.L. Morris, Chairman and including himself. The center of activities will be Florida but will expand nationwide as members are added from each of the fifty (50) States. Each virtual lodge will be assigned a region of the United States consisting of one (1) or more States. The majority of our activity will be internet based; however, we will also host booths at national conventions which will give us exposure to potential new members and will educate others about our 2nd Amendment.

- 2 List the organization's present and future sources of financial support, beginning with the largest source first.
