The American Fallen Veteran Service Project Inc. is a non-profit corporation and shall operate exclusively for educational and charitable purposes within the meaning of Section 501 (c)(3) of the Internal Revenue Code, or the corresponding section of any future Federal tax code. The AFVSP was founded in order to provide support to surviving U.S. Military children and spouses that have lost a loved one in the Iraq and Afghanistan wars or whose service member has sustained a serious disability. Our objectives are to help U.S. Military children and spouses with college grants as well as to provide financial assistance to those families in need of help with housing, utilities, food and clothing. Often when a loss occurs in these families, what was a two person income becomes one. The financial hardships placed on these families are very difficult to deal with. Their lives are devastated and forever changed. We are determined to help make the last wishes of those lost to the casualty of war possible by assisting their families with their needs, however, we can only do this through the help of others.
