PURPOSE

3.01 Purpose

Safe to Hope, Inc. is a non-profit corporation and shall operate exclusively for educational and charitable purposes within the meaning of Section 501 (c)(3) of the Internal Revenue Code, or the corresponding section of any future Federal tax code. The corporation shall have a racially nondiscriminatory policy as to applicants, members, and others on the basis of race, color, or national or ethnic origin.

Safe to Hope, Inc.'s purpose is to build a community of trust and healing for Child Sexual Abuse Survivors and affected communities.

This will be accomplished through:

Awareness education to Childhood Sexual Abuse (CSA) victims, support people, churches, educational institutions, and community events through

- ✓ Community enrichment programs

- ✓ Individual victim awareness education
- ✓ Online/social media programming (www.safetohope.com)
- ✓ Classroom training
- ✓ Church and community seminars

And **Assistance** to CSA victims, support people, churches, educational institutions, and community events by holistically:

Utilizing the following principles and programs to Present Awareness Training to Florida Churches, Child-care Institutions, Schools, Businesses, and Government Agencies to build awareness and support through web based mentoring training and transient presentations as well as a multi-purpose campus:

- ✓ **Awareness** – education and events for community; victim’s defining the truth about the abuse (not all victims realize their history falls into the unhealthy category of abuse); train victims and their spouses about healthy strategies to avoid perpetuating secondary abuse and social/community issues through unhealthy parenting and
- ✓ **Neighboring** – train volunteers on site or via transient training as force multipliers to care and converse with survivors in their own communities as they share their story
- ✓ **Counseling** – assist with finding and sponsoring affordable and accessible professional treatment as necessary in coordination with their local safe support people and/or transient lodging in a rural “farm stay” retreat to offer an opportunity to break and reset destructive coping cycles so healing can progress.
- ✓ **Hope** – teaching the foundational element in the program offered through Biblical teaching about God’s character and the plan He has for each victim and survivor
- ✓ **Order** – Create and publish a guided curriculum designed to help the victim or survivor navigate the topics that plague a person with shame and prevent making healthy life choices.
- ✓ **Retreats (Farm-Stay)** - the opportunity of victims or survivors [and family] to focus on healing the hurts of abuse in the safe, nurturing environment of a family-style farm retreat to offer an opportunity to break and reset destructive coping cycles so healing can progress
- ✓ **Safety** – Provide certified CPTED home and facility security assessments, awareness, self-defense, and CSA prevention training to churches, educational institutions, victims and their families.

For the CSA victim individual, community wide, and church wide benefit of

- ✓ **Advancement of Biblical teaching in reference to CSA effects on individuals, the church, families, and the community** through awareness, healthier members of churches and subsequent communities;
- ✓ **Advancement of education** through awareness of CSA and avoidance of such abuse, furthering children's mental, physical, spiritual, social, and emotional health;
- ✓ **Lessening of the burdens of Government** by helping CSA victims Biblically cope with CSA trauma and mentoring to restore healthy relationships and avoid the spiral of increasing government and social dependence when coping mechanisms fail and CSA victims statistically turn to drugs, alcohol, addictions; statistically have higher divorce rates which also increases dependence on welfare, subsidized child care, and leads to criminal activity, and
- ✓ **Promotion of social welfare** by coordinating with other recognized religious and social organizations designed to accomplish any of the above purposes, leading to –
- ✓ **Lessening neighborhood tensions** through healthier coping abilities and relationships and unneeded law enforcement intervention,
- ✓ **Defending human and civil rights secured by law** in detecting, deterring, and documenting offender behavior, and
- ✓ **Combating community deterioration and juvenile delinquency** by addressing CSA trauma at earlier ages when statistically only 36% of CSA crimes are reported before 18 years of age and many victims wait until their 30's and 40's to address CSA trauma when coping mechanisms fail. When CSA trauma awareness is addressed at earlier ages, young people are able to avoid juvenile crime and destructive coping mechanisms that fundamentally affects the community.

To maximize our impact on current efforts, we may seek to collaborate with other non-profit organizations which fall under the 501(c) (3) section of the internal revenue code and are operated exclusively for educational and charitable purposes.

At times, per the discretion of the board of directors, we may provide internships or volunteer opportunities which will provide opportunities for involvement in said activities and programs in order to have a greater impact for change.
