ARTICLE IV

MEMBERS

The members of this Association shall consist of all owners of Tracts that are made subject to the provisions of the Declaration of Restrictions. Owners of such Tracts shall automatically become members upon acquisition of the fee simple title to their respective Tracts. The Association shall have two (2) classes of membership, Class "A" and Class "B". Class "A" members shall be those members who have received title to a Tract from Declarant (as defined in the Declaration of Restrictions) or Declarant's successors in interest. The Class "B" member shall be the Declarant. Each such party is hereinafter sometimes referred to as a "Member."

The membership of any Member in the Association shall automatically terminate upon conveyance or other divestment of title to such Member's Tract, except that nothing herein contained shall be construed as terminating the membership of any Member who may own two (2) or more Tracts so long as such Member owns at least one (1) Tract.

The interest of a Member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner, except as an appurtenance to the Tract which is the basis of such Member's membership in the Association.

The Secretary of the Association shall maintain a list of the Members of the Association. Whenever any person or entity becomes entitled to membership in the Association, it shall become such party's duty and obligation to so inform the Secretary in writing, giving such party's name, address and Tract number; provided, however, that any notice given to or vote accepted from the prior owner of such Tract before receipt of written notification of change of ownership shall be deemed to be properly given or received. The Secretary may, but shall not be required to, search the Public Records of Sarasota County or make other inquiry to determine the status and correctness of the list of Members of the Association maintained by the Secretary and shall be entitled to rely upon the Association's records until notified in writing of any change in ownership.

ARTICLE V

VOTING

Subject to the restrictions and limitations hereinafter set forth, each Member shall be entitled to one (1) vote for each Tract in which the Member holds a fee simple ownership. When more than one (1) person holds such interest in any one Tract, all such persons shall be Members and the vote attributable to such Tract may be cast by any of such joint owners. In the event more than one (1) of the joint owners attempts to cast the vote to which their Tract is entitled, said vote shall be apportioned equally among such of the joint owners as cast the vote. Except where otherwise required by law or by the provisions of said Declaration of Restrictions or these Articles of Incorporation, the affirmative vote of a majority of Members represented at any meeting of the Members duly called and at which a quorum is present shall be binding upon the Members.

ARTICLE VI
