**ARTICLE VIII - VOTING RIGHTS.**

8.1 The Association shall have two classes of voting membership:

Class A. The Class A Members shall be all Owners except the Developer (as long as the Class B membership shall exist, and thereafter, the Developer shall be a Class A Member to the extent it would otherwise qualify). Except as provided below, Class A members shall be entitled to one vote for each Lot in which they hold the interests required for membership. When more than one person holds such interest or interests in any Lot, all such persons shall be Members, provided, however, they may exercise a total of only one vote for that Lot, and the vote for such Lot shall be exercised as set forth herein and/or in the Bylaws.

Class B. The Class B Member shall be the Developer. The Class B Member shall be entitled to five (5) votes for each Lot owned by the Developer. All voting rights of Class B Membership shall be freely transferable, subject to this Declaration, to third parties. For as long as Developer is a Class B Member, Developer shall have the specific right to delegate all voting rights of the Class B Membership to a builder. The Class B membership shall cease and terminate and be converted to Class A membership on the happening of the earliest of the following events: (i) three (3) months after ninety percent (90%) of the Lots have been conveyed to Class A Members; (ii) twenty (20) years from the date when the first Lot is conveyed to a Class A Member; or (iii) such earlier date as Developer may elect, in Developer's sole discretion.

8.2 A Member's right to vote shall vest immediately upon such Member's qualification for membership as provided in the Declaration and these Articles of Incorporation. All voting rights of a Member shall be exercised in accordance with and subject to the restrictions and limitations provided in the Declaration, these Articles of Incorporation, and the Bylaws.

8.3 Unless elsewhere specifically provided to the contrary in the Declaration of these Articles of Incorporation, any provision of the Declaration, these Articles or the Bylaws which requires the vote or approval of a majority or other specified fraction or percentage of the total voting interests of the Association, shall be deemed satisfied by either of the following:

A. The vote in person or by proxy of the majority or other specified fraction or percentage of the total voting interests of the Association at a meeting duly called and noticed pursuant to the provisions of the Bylaws dealing with annual or special meetings of the Members of the Association.

B. Written consents signed by the majority or other specified fraction or percentage of the total voting interests of the Association.

(((H17000243918 3)))

8.4 Except as provided otherwise in the Declaration or these Articles, a quorum at meetings shall consist of thirty percent (30%) of the total voting interests in the Association, whether represented in person or by proxy. Subject to any contrary provision or requirement contained in the Declaration, if a quorum is present, the affirmative vote of a majority of voting interests represented at a meeting and entitled to vote on the subject matter shall constitute the acts of the Members, except when approval by a greater vote is required by the Declaration, the Articles of Incorporation, these Bylaws, or by Florida law. When a specified item of business is required to be voted upon by a particular class of Members, a majority of the voting interests of such class of Members shall constitute a quorum for the transaction of such item of business by that class, unless provided to the contrary in the Articles of Incorporation, in the Declaration, or otherwise required by Florida law. After a quorum has been established at a meeting, the subsequent withdrawal of a Member so as to reduce the number of votes at the meeting below the number required for a quorum shall not affect the validity of any action taken at the meeting of any adjournment thereof.

**ARTICLE IX - BOARD OF DIRECTORS.** The affairs of the Association shall be managed by a Board of Directors who shall be appointed or elected pursuant to the provisions of the Declaration and the Bylaws. The number of Directors constituting the Board of Directors shall be three (3). **ARTICLE XII - INDEMNIFICATION.**

(((H17000243918 3)))

((H17000243918 3))

12.1 Every Director and every Officer of the Association shall be indemnified by the Association against all expenses and liabilities, including attorneys' and other professionals' fees, reasonably incurred by or imposed upon him in connection with any proceeding whether civil, criminal, administrative or investigative, or any settlement of any proceeding, of any appeal from such proceeding to which he may be a party or in which he may become involved by reason of his being or having been a Director or Officer of the Association, or having served at the Association's request as a director or officer of any other corporation, whether or not he so serves the Association at the time such expenses are incurred, regardless of by whom the proceeding is brought, except in relation to matters as to which any such Director or Officer shall be adjudged liable for gross negligence or willful misconduct, provided that in the event of a settlement, the indemnification shall apply only when the Board of Directors of the Association approves such settlement and reimbursement as being for the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or Officer may be entitled.

12.2 Expenses incurred in defending a suit or proceeding whether civil, criminal, administrative or investigative may be paid by the Association in advance of the final disposition of such action, suit or proceeding if authorized by a majority of the Directors upon receipt of an undertaking by or on behalf of the Director or Officer to repay such amount if it shall ultimately be determined that he is not to be indemnified by the Association as authorized by these Articles of Incorporation.

12.3 The Association shall have the power to purchase at its expense and maintain insurance on behalf of any person who is or was a Director or Officer of the Association, or is or was serving at the request of the Association as a director or officer of another corporation, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such whether or not the Association would have the power to indemnify him against such liability under the provisions of these Articles.

**ARTICLE XIII – BYLAWS.** The Bylaws of the Association may be altered, amended or rescinded in the manner provided in the Bylaws.

**ARTICLE XIV – NON-STOCK CORPORATION.** The Association is organized on a non-stock basis and shall not issue shares of stock evidencing membership in the Association; provided, however, that membership in the Association may be evidenced by a certificate of membership which shall contain a statement that the Association is a corporation not for profit.
