ARTICLE III: MEMBERSHIP AND VOTING RIGHTS

A. Eligibility. Every person, whether an individual, corporation or other entity, who is the record owner of a Lot that is subject to assessment pursuant to the Declaration shall become a Member of the Association upon the recording of the instrument of conveyance. If title to a Lot is held by more than one person, each such person shall be a Member. A Homeowner of more than one Lot is entitled to membership for each Lot owned. No person other than a Homeowner may be a Member of the Association, and a membership in the Association may not be transferred except by the transfer of title to a Lot; provided, however, the foregoing does not prohibit the assignment of membership and voting rights by a Homeowner who is a contract seller to such Homeowner's vendee in possession.

If more than one person owns a fee interest in any Lot, all such persons are Members, but there may be only one vote cast with respect to such Lot. Such vote may be exercised as the co-owners determine among themselves, but no split vote is permitted. Prior to any meeting at which a vote is to be taken, each co-owner must file a certificate with the secretary of the Association naming the voting co-owner entitled to vote at such meeting, unless such co-owners have filed a general voting certificate with the Secretary applicable to all votes until rescinded. Notwithstanding the foregoing, no separate certificate shall be necessary if title to any Lot is held in a tenancy by the entireties, and in such event either tenant is entitled to cast the vote for such Lot unless and until the Association is notified otherwise in writing by such co-tenants by the entireties.

B. Classes of Membership and Voting; Transfer of Control. The Association shall have 2 classes of voting membership - Class A and Class B. So long as there is Class B membership, Class A Members shall be all persons owning record title to the Lots of the Community ("Homeowners") except Declarant. All Class B memberships shall belong to Declarant. Upon termination of Class B membership as provided below, Class A Members shall be all Homeowners, including Declarant so long as such Declarant is a Homeowner. Voting shall be accomplished in accordance with the applicable provisions of the By-Laws. There shall be no cumulative voting for Directors or any other matters.

Class B membership shall cease to exist and shall be deemed to be converted into Class A membership upon the earlier of (a) a triggering event contained in Section 720.307(1) of the Act, or (b) the date that Declarant waives in writing its right to Class B membership, which waiver shall be evidenced by the recording of a certificate to such effect in the public records of the County. Upon termination of Class B membership, all provisions of the Declaration, Articles of Incorporation, or By-Laws referring to Class B membership will be obsolete and without further force or effect, including any provision requiring voting by classes of membership.

C. Transferability. Each membership is appurtenant to the Lot upon which it is based and is transferred automatically by conveyance of title to that Lot whether or not mention thereof is made in such conveyance of title.

ARTICLE IV: TERM OF EXISTENCE

The Corporation shall have perpetual existence. In the event that the Corporation is terminated, dissolved or liquidated, the responsibility for the operation and maintenance of the Surface Water Drainage and Management System must be transferred to and accepted by an entity which would comply with Chapter 62-330.310, F.A.C., and be approved by the St. Johns River Water Management District prior to such termination, dissolution or liquidation.
