To whom it may concern:

I am writing in regards to filing tracking number 500298827305. This is a letter justifying our allowance to use the word "Cooperative" as part of our corporate name due to falling under §618 for Florida Statutes for the following reason:

The purpose of our non-profit organization is to "provide educational services in residential areas on a cooperative basis for those engaged in the growing of agricultural products in residential areas." This is directly in line with section §618.06, Florida Statutes, which states:

§618.06: "An association may be organized under this chapter for the purpose of **engaging in any cooperative activity in connection with the producing, marketing, or selling of agricultural products; or with the growing, harvesting, preserving, drying, processing, canning, packing, grading, storing, warehousing, handling, shipping, or utilizing such products; or the manufacturing or marketing of the byproducts thereof; or in connection with any of the activities mentioned herein, the manufacturing, selling, or supplying of machinery, equipment or supplies; or in the financing of any of the above-enumerated activities; or in performing or furnishing business or educational services, on a cooperative basis for those engaged in agriculture as bona fide producers of agricultural products or in any one or more of the activities specified herein.**"

Sincerely,

Rebecca Olson
