ARTICLE IX

INDEMNIFICATION

The Association hereby indemnifies any Director or Officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative, or investigative, for an act alleged to have been committed by such person in his capacity of Director or Officer of the Association. This indemnification applies against judgments, fines, amounts paid in settlement and reasonable expenses, including attorney's fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon pleas of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or Officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

The Board of Directors shall determine whether amounts for which a Director or Officer seeks indemnification were properly incurred and whether such Director or Officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.
