The Association will also have all of the powers necessary to implement the purposes of the Association as set forth in the Declaration and to provide for the general health and welfare of its membership. ARTICLE IX

INDEMNIFICATION

Section 1. The Association will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director, employee, officer or agent of the Association, against all expenses (including attorneys' fees and appellate attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding, unless (a) it is determined by a court of competent jurisdiction, after all available appeals have been exhausted or not pursued by the proposed indemnity, that he did not act in good faith or that he acted in a manner he believed to be not in or opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (b) such court further determines specifically that indemnification should be denied. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent will not, of itself, create a presumption that the person did not act in good faith or did act in a manner which he believed to be not in or opposed to the best

interest of the Association, and with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.

Section 2. To the extent that a director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 1 above or in defense of any claim, issue or matter therein, he will be indemnified against expenses (including attorneys' fees and appellate attorneys' fees) actually incurred by him in connection therewith.

Section 3. The indemnification provided by this Article will not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of Members or otherwise, both as to action in his official capacity while holding such office or otherwise, and will continue as to a person who has ceased to be director, officer, employee or agent and will inure to the benefit of the heirs, executors and administrators of such person.

Section 4. The Association will have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Such insurance will cover any liability asserted against him which is enumerated in the policy and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

ARTICLE X

ARTICLE XI

MISCELLANEOUS

Section 1. In the event of any conflict between these Articles of Incorporation and the Bylaws, these Articles will control, and in the event of any conflict between these Articles of Incorporation and the Declaration, the Declaration will control.

Section 2. The Association is not organized for profit, and no part of the net earnings, if any, will inure to the benefit of any Member, person or entity.
