To - K9 Heroes For Our Heroes Board of Directors

I hereby resign from the board effective immediately.

This decision has not come lightly and many factors have lead to it including the president admitting to us that the reason she started the organization was to give herself a job. I did not realize that the money we raise at these events would not go directly to the veterans, instead provide a salary for the President.

I was offered a job as Vice President and was offered a salary. After determining that this was not properly funded, I declined a salary and continued my full time employment of a regular job and volunteered to allow the funds raised to go to the Veterans.

Funds raised from our hard work on fundraiser events has mainly gone to provide the President a salary in lieu of paying the debt obligations of those fundraisers and helping the veterans that are supposedly on a wait list. The president was advised to put funds aside from the raffle proceeds to pay for the cruise back in April, when we started selling tickets. This has never been paid.

I have spent considerable time and money to raise funds to assist veterans and first responders which I feel is not happening.

I have lost all trust in the president of the organization and will not jeopardize the reputation of my company or myself.

As of today, no association or endorsement by myself, Whitco Insurance of Palm Harbor or Largo Fire Department is to be used by K9 Heroes For Our Heroes.
