We received your online transmitted document. However, the document has not been filed for the following: The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of a voluntarily dissolved business entity. The name of a voluntarily dissolved business entity is not available for the assumption or use by another entity until 120 days after the effective date of dissolution unless the dissolved business entity provides the Department of State with a notarized affidavit, stating that they have no intention of revoking the dissolution, therefore, releasing the name for use to another entity.

\*\*\*Please be advised the the corporation was owned and dissolved by me. I have no intentions of reinstating the company. I mistakenly added the original company in Sunbiz as a for Profit business however it was supposed to be non-Profit.\*\*\*
