**ARTICLES OF INCORPORATION
OF THE
TRELFOED FAMILY RESEARCH FOUNDATION, INC.
(A Florida Not-For-Profit Corporation)**

**ARTICLE I
Name**

1.01 Name.

The name of this corporation shall be TRELFOED FAMILY RESEARCH FOUNDATION, INC., a Florida not-for-profit corporation.

**ARTICLE II
Duration**

2.01 Duration.

The period of duration of the Corporation is perpetual.

**ARTICLE III
Purpose**

3.01 Purposes.

The TRELFOED FAMILY RESEARCH FOUNDATION, INC., (the "Corporation"), is a Florida not-for-profit corporation and shall operate exclusively for charitable purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code, or the corresponding section of any future Federal tax code. The TRELFOED FAMILY RESEARCH FOUNDATION, INC. is established to make grants to, or otherwise study or conduct research, and/or otherwise provide financial and/or other support for the study or research into the cell, particularly ribosome fraction of the cell and study the protein fraction in its relationship to its structure, spatial form in relation to function, and to its immunology [the latter as to its relationship to cancer]. It is possible that by changing its form rather than the molecules, cancer cells are not detected because of spatial form rather than molecular differences. Study and research into these areas has been neglected, or otherwise minimal in the past. The differences of the cell are difficult to study. The ribosome fraction needs ultra-fast centrifugation instrumentation and certain institutions in the research community have such instruments available. The Corporation is not sufficiently large to support the purchase of such equipment and therefore it is anticipated that the Corporation will work with such institutions that possess such equipment.

Furthermore, any grants made from the Corporation to any third-party entities in furtherance of the foregoing Purposes described above in this Article shall be made in increments of Five (5) or Ten (10) Thousand Dollars. These monies are to be used exclusively for research and not general operating funds, overhead, or salaries for individuals not directly involved with the work at these third-party entities. Moreover, all such third-party entities receiving funds from the Corporation shall be qualified by the Internal Revenue Service to conduct their respective

It is the Corporation's intent and desire that the investment assets held by the Corporation be maintained in perpetuity.
