To Whom It May Concern:

Enclosed please find the re-filing of the UBR for the Columbian Club of Flagler County, Inc., along with the required payment and certificate of status request for the year 2002 as per the instructions of your customer representative.

We apologize for this late or re-filing, however, we were unaware that the current status was inactive and the last event of administration dissolution for annual report dated 9/21/01 had occurred. We were only made aware of the current situation upon filing for the workmen's compensation exemption for our officers. After review of our records, we find that the state department cancelled our filing check #13240 dated 9/10/01 on 9/17/01 (copy enclosed), four days before the administration dissolution. Consequently we assume that the filing was acceptable. Concerned with the present status, we contacted the Division of Corporations UBR Section and were informed that there were a number of requests for information by your office, which we were unaware of. However, there appears to be a miscommunication by both parties. We were also instructed as to how to proceed with the re-filing and we proceeded accordingly.

Should you require any further information, please contact us immediately to insure that this matter has been finalized. We appreciate your concern in this matter.

Very truly yours,  
The Columbian Club of  
Flagler County, Inc.  
President
