Each written consent must bear the date of signature of each person signing it. A consent signed by less than all of the directors or committee members is not effective to take the intended action unless consents, signed by the required number of persons, are delivered to the nonprofit corporation within sixty (60) days after the date of the earliest dated consent delivered to the nonprofit corporation. Delivery must be made by hand, or by certified or registered mail, return receipt requested. The delivery may be made to the registered office, registered agent, principal place of business, transfer agent registrar, exchange agent or an officer or agent having custody of books in which the relevant proceedings are recorded. If the delivery is made to the corporation's principal

place of business, the consent must be addressed to the President or principal executive officer of the corporation.

The corporation will give prompt notice of the action taken to persons who do not sign consents. If the action taken requires documents to be filed with the Secretary of State, the filed documents will indicate that the written consent procedures have been properly followed.

The telegram, telex, cablegram or similar transmission by a director or committee member, or photographic, facsimile or similar reproduction of the signed writing is to be regarded as being signed by the director or committee member.
