**Re: Response to Misrepresented Statement of Fact by Julio Caballero and Edgar Serrano and Request for Reinstatement**

Dear Sir/Madam:

We are writing to formally notify the State of Florida regarding the unauthorized revocation of reinstatement and dissolution of the above-referenced nonprofit corporation. We, the Board of Directors, including Hector de Leon, President, and Juan Carlos Aviles, Vice President, did not authorize the Statement of Fact submitted by Julio Caballero and Edgar Serrano on or about 1/06/25. We request the immediate reinstatement of the nonprofit corporation.

The nonprofit, as any Florida nonprofit, operates under its bylaws, which require the corporation to act pursuant to action of the Board of Directors. The Statement of Fact of 1/06/25 was filed without the Board's knowledge or consent. Moreover, Mr. Caballero and Mr. Serrano misrepresented themselves as the President and Vice President of our organization. In fact, Mr. Caballero and Mr. Serrano have not been officers of the corporation since April 2021, when under our bylaws a new President (Juan Carlos Aviles) and Vice President (Julio Cesar Enriquez) were elected to replace them, and have not even been general members since 2022.

On December 15, 2024, another election was held under our bylaws. The duly elected Board, with Hector de Leon as President and Mr. Aviles as Vice President, represent our organization. The reinstatement of the nonprofit on 12/17/24 was done with full approval and by resolution of the Board under our bylaws. The Board did not authorize the Statement of Fact submitted by former members Mr. Caballero and Mr. Serrano requesting revocation of the reinstatement on 1/6/24. As such, we respectfully request that the corporation be reinstated once again, and the Statement of Fact by Mr. Caballero and Mr. Serrano of 1/6/24 be stricken or nullified.

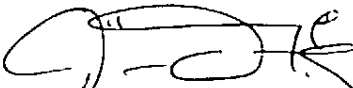

Thank you for your prompt attention to this matter.

Sincerely,

On behalf of the Board of Directors of Southern Legion / Legion del Sur, Inc.:

  
Hector de Leon, President
