Primary Purpose of Pro-Life Doc, Inc. (ARTICLE 111) PURPOSE:

The Purpose of Pro-Life Doc, Inc. is to educate the public of the value of human life within the womb. Tools of modern
obstetrics such as ultrasound, MRI and fetoscopy are used to reveal not only the life, but the personality of a baby within the
womb. Surgical advances in fetal surgery such open heart surgery, spina bifida corrective surgery and even intrauterine
fetal blood transfusions prove that the pre-born are treated as patients, and if they are patients, they are persons with legal

protection. Expert medical testimony is provided to legislative bodies to protect the lives of those that are unable to defend themselves. The Gospel is used to show that abortion is not the unforgivable sin and is covered by the blood of Christ.

Pro-Life Doc, Inc. provides training to Christian schools, Christian Universities and Christian Seminaries on the medical and scriptural principles to defend God's pre-born within the womb.

The date of each amendment(s) adoption: December 31, 2022, if other than the date this document was signed.

ARTICLE III – Purpose Statement

2023 MAR -7 PM 1:03

Primary Purpose of Pro-Life Doc

The primary purpose of Pro-life Doc, Inc. is to educate the public of the value and nature of human life within the womb from a medical and Biblical worldview. Tools of modern obstetrics, such as ultrasound, MRI and fetoscopy, are used to reveal not only the life, but the distinct personality of a baby within the womb. Surgical advances in fetal surgery, such as open-heart surgery, spina bifida corrective surgery, and even intrauterine fetal blood transfusion, prove that the pre-born are treated as patients, and if they are patients, they are persons with legal protection. Expert medical testimony is provided by Pro-life Doc, Inc. to legislative bodies to demonstrate why the lives of those that are unable to defend themselves should be protected. The Gospel of Jesus is presented to show that abortion, while a devastating act, is a forgivable sin and is covered by the blood of Jesus Christ. Pro-Life Doc, Inc. frequently provides training to Christian schools, Christian universities, and Christian seminaries, on the medical and scriptural principles to defend God's pre-born within the womb.
