On April 25, 2022 I, Ronald (Ronnie) Hall, was a standing Board Member of the Milton Keyser Cemetery, Milton, FL. The Keyser Cemetery Community Members elected Mrs. Rachel Harwick as President Elect and Ms. Madelyn Gonzalez as Vice-President Elect, October, 2022. Other vacant positions (3) would be filled after the holidays in 2023.

On January 12, 2023 an Annual Report was filed without approval by the Board and Community Members. Legal Board Members were dismissed without their knowledge and without consent of the voting body of the cemetery.

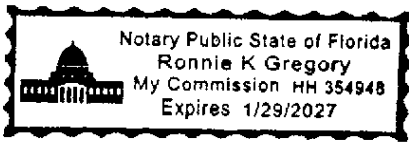

We will make changes to that January 12, 2023 entry and once again place the authorized board members of the Milton Keyser back on document #N19000004032 the Florida Department of State Division of Corporations Annual Report.
