Dear Mr. Restina:

I am an attorney with the Department of Education that works with the Commission for Independent Education. I have been provided with your e-mail of October 19, 2018 regarding University of the West Indies Medical Association Central Florida Chapter, Inc. I'm sorry that you have encountered difficulty filing your corporate paperwork through the Department of State. It is my understanding that the Association does not intend to operate a postsecondary educational institution in Florida. Unfortunately, in these circumstances, the Department of Education does not possess authority to resolve the difficulty in the manner suggested by the Department of State.

Chapter 1005, Florida Statutes, pertains to the Commission for Independent Education which licenses private, postsecondary educational institutions in Florida. While Section 1005.03, Florida Statutes, appears to empower the Commission with the ability to restrict the use of the words "college" and "university" in business names, Florida's 5<sup>th</sup> District Court of Appeal ruled that the Commission's predecessor had no such authority in the context of a business that was not subject to regulation by the Commission. I have appended a copy of the opinion in that case for your reference.

The Commission is therefore unable to act on your request for approval and clearance for Luther College to register that name in Florida. I am sorry I cannot be of assistance but if you would like to discuss the matter, I can be reached at (850) 245-0442 or via e-mail at [james.richmond@fldoe.org](mailto:james.richmond@fldoe.org).

Sincerely,

  
James L. Richmond  
Assistant General Counsel
