The Company strives to provide Christ-centered education by infusing it in every aspect of learning and every activity of life.

The Corporation will prayerfully plan and execute each phase of the educational program to be in agreement with our Christian beliefs. The educational process will involve more than the presentation of a Bible enriched curriculum to all attending students, it will assist parents in the training of their children to be effective Christians in today's world by developing within each student a discerning Christian mind. This, we believe, will not only enable the young person to come to a saving knowledge of Jesus Christ at an early age, but it will also, in concert with the instruction he receives at home and in the church, prepare him to serve the Lord faithfully and boldly in his chosen calling by teaching him to consistently choose to live his life in accordance with God's Word.
