## ARTICLE III PURPOSE

The purpose for which the corporation is organized is:

July 19, 2015, I established a perpetual award beginning in 2016 of \$1,000 to a deserving high school senior who

would be the first in their immediate family to attend college. My daughter taught English on both the high school

and college level. It was because of her passion for teaching and learning, and her ability to inspire and motivate her

students to further their education, that I felt the importance to provide a little extra financial assistance to a

deserving student, and honor her legacy. I have coordinated my efforts with the counselor of the high school where

she graduated. There is an application process, I select the recipient, who is awarded at a special ceremony
