and the Declaration among the Public Records of the county in which the subject property is located.

2. Transfer of Membership. Transfer of membership in the Association shall be established by the recording in the Public Records of the county in which the Condominium is located, of a deed or other instrument establishing a transfer of record title to any unit for which membership has already been established as hereinabove provided, the owner(s) designated by such instrument of conveyance thereby becoming a member, and the prior owner's membership thereby being terminated. In the event of death of a member, his membership shall be automatically transferred to his successors in title.
