Dear Florida Department Of State, and Mr Scott

My name is Dyrell Johnson and I'm the current executive director and registered agent of Community Healing Project Inc (N17000006603). On September 27th, our organization was dissolved due to Annual Report on behalf of my extended hospital stays and health issues. With the recommendation of my officers Catina Johnson and Nellie Johnson, we have decided to not reinstate this entity of our organization and we release this name to be used for another organization so business may continue to flow. On October 28th, 2019 we registered a new nonprofit corporation under the exact same title "Community Healing Project Inc" (W19000095706) and were rejected due to the similar name.

At this time we are requesting the name "Community Healing Project Inc" to be applied to our new corporation (W19000095706) as our principals are identical in corporate purpose, registered agent, and officer/director details. We operate under the same EIN (82-2027038) and have the same principal and mailing address, phone number and corporate purpose. This letter has been witnessed by the Community Healing Project Inc Board Of Directors, Nellie Mae Johnson (T) and Catina Elaine Johnson (VP). Please allow the release of the name Community Healing Project Inc. Please contact me at 386-682-0650 or email at communityhealingproj@gmail.com for any further questions or concerns.

Thanks again,
Dyrell Johnson
Executive Director
Community Healing Project Inc
