## **ARTICLE XIII**

### **INDEMNIFICATION OF OFFICERS AND DIRECTORS**

1. The Board of Directors of the Association shall have the power to indemnify current or former directors, officers, employees or agents of the Association and any persons serving, or who have served, at the request of the Association as a director, officer, employee or agent of another association, partnership, joint venture, trust or other enterprise to the full extent

permitted by the laws or the State of Florida. The Association shall also have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, agent or representative of the Association against any liability asserted against him or her in any such capacity.

2. The Association hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

A. Whether civil, criminal, administrative or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability of penalty on such person for an act alleged to have been committed by such person in his or her capacity as a Director or officer of the Association or in his or her capacity as a Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he or she served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action, suit or proceeding, or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not in itself create a presumption that any such Director or officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he or she had reasonable grounds for belief that such action was unlawful.

B. By or in the right of the Association to procure a judgment in its favor by reason of his or her being or having been a Director of the Association, or by reason of his or her being or having been a Director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he or she served at the request of the Association, against the reasonable expenses, including attorneys' fees actually and necessarily incurred by him or her in connection with the defense or settlement of such action, or in connection with any appeal therein if such person acted in good faith in the reasonable belief that such action was in the best interest of the Association. Such person shall be entitled to indemnification in relation to matters to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his or her duty to the Association unless, and only to the extent that, the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, upon adjudication of liability, but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

3. The Board of Directors shall determine whether amounts for which a Director or officer seeks indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he or she reasonably believed to be in the best interest of the Association, and whether, with respect to any criminal action or proceeding, he or she had no

reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

4. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

#### **ARTICLE XIV**

##### **TRANSACTION IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED**

1. No contract or transaction between the Association and one or more of its Directors or officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Directors or officers are Directors or officers, or have a financial interest, shall be invalid, void or voidable solely for this reason, or solely because the Director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorized the contract or transaction, or solely because his, her or their votes are counted for such purposes. No Director or officer of the Association shall incur liability by reason of the fact that he or she is or may be interested in any such contract or transaction.

2. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

#### **ARTICLE XV**

##### **DISSOLUTION OF THE ASSOCIATION**

1. The Association maybe dissolved upon a resolution to that effect being approved by not less than three quarters (3/4) of the Members of the Association.

If same is not accepted, then to a similar non-profit corporation, association, trust or other organization to be devoted to such similar purposes; provided, however, should the Association dissolve, the Surface Water Management System, property containing the Surface Water Management System and water management portions of Common Area shall be conveyed to one of the following: (i) local governing unit,

C. Remaining assets, if any, shall be distributed among the Members, subject to the limitations set forth above or in these Articles, as tenants in common, each Member's share of the assets to be determined in accordance with such Member's voting rights.
