**ATTACHMENT TO THE ARTICLES OF  
INCORPORATION  
OF SHORELINE RESTORATION SERVICES INC  
ARTICLE III PURPOSE**

Shoreline Restoration Services Inc is founded for charitable purposes within the meaning of the IRC section 501(c)(3) namely: To advance education in environmental science, to prevent the suffering of animals and to lessen the burden of government. It will educate and raise awareness concerning the impact of marine waste of the coastal environment, and help restore and maintain the natural shorelines in the Florida Keys, particularly in our state parks, nature preserves and in our national marine sanctuary.

This organization will carry out educational activities to promote proper marine debris practices and to raise awareness about how marine debris damages the coastal environment and cruelly harms the creatures who live there. It will promote stewardship by encouraging the use of more sustainable waste practices in the home, the community, on the waters and in the ocean. It will educate on how to reuse, reduce and repurpose used items, thereby eliminating harmful waste. It will advocate for the minimization of single use plastics that disfigure the seas and coastlines and harm wildlife. It will implement classes, courses, events, workshops and activities for the general community on these topics. It will work with children because they have the greatest potential for future impact.

This organization will sponsor research into the human impacts on the unique environment of FL Keys and help develop responses that address such impacts to maximize the benefit to the human population and allow the natural environment to thrive optimally. It will organize activities to clean and protect the shoreline and save animals and plants from impacts of marine waste, which can be painful and inhumane. It will lessen the burden of government by assisting local agencies to care for the state and national parks, nature preserves and marine sanctuaries.

This organization is empowered to carry out any action that is seen by the directors to be beneficial to the environment and the community which lives there, be they in the FL Keys, elsewhere in the State of FL or around the world. The incorporator of this organization will serve as a director and as the president indefinitely, until such time as she will be found to be substantially unfit for her position, if she should become unable to serve or in the event of her resignation.

This organization will conduct its activities in keeping with the letter and spirit of the IRS guidelines for a not for profit corporation. It will not distribute dividends to any of its directors or officers. It will not attempt to influence legislation or participate in political campaigns of any sort. In the event of this corporation's dissolution, the directors will --after paying all debts and liabilities-- distribute all remaining funds or
