To whom it may concern,

Last year, after sending letters several times requesting the closure of the foundation, the notification finally arrived, but it was not until January 2024, when I was preparing to pay the annual fee, that I realized that officer J Dennis , 'CLOSE' the wrong Company

We had two foundations, the first I opened by me, INCREDIBLE KIDS FOUNDATION/ W20000016544 and then INCREDIBLE KIDS FOUNDATION, INC/N200004438 which was opened correctly by a company specialized in foundations.

I sent the documents and the check with the correct information for the dissolution of INCREDIBLE KIDS FOUNDATION / W20000016544, but the official in charge of his Handwriting wrote the wrong number on the document and closed the wrong Company. I am writing to you to see how we can correct this unfortunate event for us, because we are working to obtain our first Grant, for a project with children and we find ourselves in this situation.

I thank whoever takes the case and can help us, I attach a copy of the documents sent and the proof of the error.

I remain attentive to the steps to follow.

Thank you
