To whom it may concern:

I recently filed with the state of Florida to incorporate a nonprofit business dedicated to community volunteerism. Our organization encourages people to pick up garbage left along the scenic roadways and bikepath of South Walton County Highway 30-A.

The name I have selected is "Keep30-AClean, Inc.". My application was rejected due to the fact that the entity name is already registered. The name was previously registered by me. I registered the name with the state but did not apply for nonprofit incorporation until now. The document number for the original name reservation is N18000006117. On that document, you can see that I am the registered agent and use the same address as that shown above.

Please let me know if I can provide further information.

Thank you,
Rick MacConnell
