**ATTACHMENT TO ARTICLES OF INCORPORATION OF  
JEWISH GATOR NATION FOUNDATION INC  
ARTICLE III PURPOSE**

**H210000948233**

Jewish Gator Nation Foundation Inc. is organized and operated exclusively for charitable purposes within the meaning of the Internal Revenue Code Section 501(c)(3), namely: To provide assistance, support and opportunity to the students, faculty, alumni, families and friends of the University of Florida, as well as to wider populations, locally and globally.

This organization will operate through the ideals of Tikkun Olam: in Jewish teachings, any activity that improves the world, bringing it closer to the harmonious state for which it was created and that every individual has an indispensable element of the totality of the world. All human activities are opportunities to fulfill this mission, and every human being can be involved in Tikkun Olam. The Rebbe, Rabbi Menachem M. Schneerson, of righteous memory, described Tikkun Olam as the mission of every human being, with the conviction that, one small deed could bring the world to the resolution for which it has yearned since its creation. This organizations core value will be "to love everyone as one loves oneself" and to propagate that love with acts of kindness and good deeds. This organization will promote these values as understood by its Rabbi, the incorporator, Berl Goldman and its directors.

Rooted in universal Jewish values, through its programs and activities, this organization will seek to build community, strengthen identity, and promote humanitarian causes. It will plan, coordinate and implement educational and inspirational events, professional forums, lectures, programs for special needs, Israel education and advocacy seminars, social gatherings, and justice advocacy activities, environmental and climate awareness projects, along with any other activity that is seen by the directors as being conducive to the mission of the organization and the well-being of the community.

The organization will provide a safe space and a home away from home for the students, faculty, alumni, families and friends at the University of Florida. It will be available 24/7 to help deal with crises and emergencies by providing practical assistance, counseling, guidance, mentoring or a listening ear. It will seek to inspire, galvanize and encourage students and all, to build and sustain a strong, caring and vibrant community, to invest in life for today and future generations, and to become more educated, socially conscious and increase their knowledge of and commitment to the world and all of humanity.

The organization will create planned giving and endowment programs to support social welfare, social services and educational needs and to provide subsidies, funding, grants and a plethora of resources. It will help forge valuable relationships and create exciting opportunities for accelerated personal and professional fulfillment and success - to create a bridge between promising student leaders and outstanding professional leaders, and to provide opportunities for networking, continuing education, jobs, internship and mentoring programs.

Its varied activities will be open to persons from all walks of life; regardless of race, sexual orientation, gender, skin color, national origin, ethnicity, creed, religion, heritage, ability or life stage.
