ARTICLE X

INDEMNIFICATION

Section 10.1 Indemnity. The Association shall indemnify any officer, director, or committee member who was or is a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was a director, officer, or committee member of the Master Association, against expenses (including attorney's fees and appellate attorney's fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, unless: (i) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that he did not act in good faith or in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful; and (ii) such court also determines specifically that indemnification should be denied. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. It is the intent of the membership of the Association, by the adoption of this provision, to provide the most comprehensive indemnification possible to their officers, directors, and committee members as permitted by Florida law.

Section 10.2 Expenses. To the extent that a director, officer, employee or agent of the Master Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 10.1 above, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorney's fees and appellate attorney's fees) actually and reasonably incurred by him in connection therewith. Assessments may be made by the Association to cover any expenses or other amounts to be paid by the Association in connection with the indemnification provided herein.

Section 10.3 Approval. Any indemnification under Section 10.1 above (unless ordered by a court) shall be made by the Master Association only as authorized in the specific case upon a

determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 10.1 above. Such determination shall be made (a) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (c) by a majority of the Members.

Section 10.4 Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Master Association as authorized in this Article.

Section 10.5. Miscellaneous. The indemnification provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of Members or otherwise, both as to action in his official capacity while holding such office or otherwise, and shall continue as to a person who has ceased to be director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such person.

Section 10.6. Insurance. The Master Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Master Association, or is or was serving at the request of the Master Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Master Association would have the power to indemnify him against such liability under the provisions of this Article.

Section 10.7. Amendment. Anything to the contrary herein notwithstanding, the provisions of this Article X may not be amended without the prior written consent of all persons whose interest would be adversely affected by such amendment.

Section 10.8. Definitions. Unless the context otherwise requires, all terms used in these Articles shall have the same meaning as are attributed to them in the Master Declaration and the By-Laws.
