**ARTICLE IV**  
**POWERS OF THE ASSOCIATION**

The general powers that the Association shall have include all proper acts, necessary or incidental, for the benefit and protection of the Association, to transact any lawful business, and to exercise all powers granted to Associations by the laws of Florida.

**ARTICLE V**  
**MEMBERSHIP**

Every person or entity who, from time to time, is a record owner of a fee simple title or undivided fee simple interest in any Lot which is subject to the Declaration shall be a member of the Association with the voting rights described herein, including contract sellers, but excluding all other persons who hold any interest in any lot merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment by the Association.

**ARTICLE VI**  
**VOTING RIGHTS**

The Association shall have two classes of voting membership as follows:

**CLASS A.** The Class "A" Members shall be all Owners, with the exception of the Declarant so long as there exists Class B Membership in the Association, and shall be entitled to one vote for each Lot owned. When any Lot entitling the Owner to membership in the Association is owned of record in the name of two or more persons or entities, whether fiduciaries, joint tenants, tenants in common, tenants by the entirety or in any other manner of joint or common ownership, or if two or more persons or entities have the same fiduciary relationship respecting the same property, then unless the instrument or order appointing them or creating the tenancy otherwise directs and it or a copy thereof is filed with the Secretary of the Association, such Owner shall select one official representative to qualify for voting in the Association and shall notify in writing the Secretary of the Association of the name of such individual. The vote of the individual shall be considered to represent the will of all the Owners of that Lot. Upon such notification, the Owner may not vote until the Owner(s) appoint their representative pursuant to this paragraph.

**CLASS B.** The Class "B" Member shall be the Declarant, or its specifically designated (in writing) successor(s) or assign(s). The Class "B" Member shall be entitled to exercise total voting control within the Association until the earlier of the following events: (1) When Developer, in its sole and absolute discretion, elects to convert the last of its Class "B" membership interests to Class "A" membership interests; or (2) three months following the conveyance by Developer of ninety percent (90%) of the Lots to individuals other than the Declarant, at which time Class "A" Members may exercise voting rights within the Association. No Lots owned by the Declarant shall be subject to any assessment as provided herein until the annual meeting

following the conveyance of ninety percent (90%) of the Lots to individuals other than the Declarant; provided however, until such time, Developer shall contribute such sums to the Association as may be necessary to pay operating expenses of the Association to the extent that assessments from Class A Members and other income of the Association are insufficient to do so.
