R. If amending or adding additional Articles, enter change(s) here:
(attach additional sheets, if necessary). (Be specific)

Our organization was created to help solve the needs of people who suffer from the miseries to which they are subject by regimes that violate their human rights and freedom. Our objective is to educate them not only to help them and recover their rights and freedom, but also to rejoin a new society where the human rights prevail that they themselves will know how to defend after knowing the rights that have been taken from them.

Our basis of justice is what Jesus Christ has decreed for all his childrens, to have freedom to which He has called them to be free and to promote unity and peace among all humans beings in the world.

Cuba is our dream to achieve in freedom and together with it, all the countries that suffer dictatorships. Freedom is the right of every human being and to achieve it we trust in God and in the strength of the people. Only the people save the people.
