Section 1. Generally. Membership is appurtenant to, and may not be separated from, ownership of at least one (1) Lot. Membership may not be transferred except by transfer of record title to such Lot. If a Lot is owned by more than one (1) person, all co-owners shall share the privileges of such membership, subject to reasonable Board regulation and the restrictions set forth in the Bylaws of the Association and in the Declaration, and all such co-owners shall be jointly and severally obligated to perform the responsibilities of members.

Section 2. Classification. This Association shall have one class of voting membership. Each member shall have an equal voting interest in the Association.

Section 3. Voting. The membership rights and privileges of a member who is a natural person may be exercised by the member or the member's spouse. The membership rights of a member which is not a natural person may be exercised by any officer, director, partner, or trustee, or by any other individual designated from time to time by member in a written instrument provided to the Secretary of the Association. If more than one person or entity owns a record fee simple interest in any Lot, all such persons or entities are members, although there is only one (1) vote for such Lot and no fractional votes are permitted. The vote may be exercised as such members determine among themselves, but no split vote is permitted. Before any meeting at which a vote is to be taken, each co-owner member must file the name of the authorized voting co-owner member with the Secretary of the Association to be entitled to vote at such meeting, unless such co-owner members have filed a general voting authority with the Secretary applicable to all votes until it is rescinded.

Section 3. Transfer of Membership. The transfer of the membership of any member shall be established by the recording in the Public Records of Orange County, Florida, of a deed or other instrument transferring title to a Lot. Upon the recordation of such deed or other instrument, the membership interest of the transferor shall immediately terminate. Notwithstanding the foregoing, the Association shall not be obligated to recognize such a transfer of membership until such time as the Association receives a copy of the recorded deed or other instrument transferring title of the Lot. It shall be the responsibility and obligation of the former and new owners of the Lot to provide a copy to the Association of such deed or other instrument. The interest of a member in the funds, liabilities, and assets of the Association cannot be assigned, hypothecated, or transferred in any manner, except as an appurtenance to the Lot owned by such member.

ARTICLE V **Board of Directors**

Section 1. Number and Term. The Association's affairs shall be managed by a Board of Directors initially composed of three (3) Directors, who need not be an Association member, and who shall be appointed as provided in the Bylaws of the Association. The term of office for all Directors is one (1) year, and any Director may succeed himself in office. The number of directors may be changed as provided in the Bylaws or by amendment of the Bylaws.

Section 2. Initial Directors. The names and addresses of the persons who will serve as Directors until their successors have been duly elected and qualified, unless they sooner die, resign, are removed, or are incapacitated or otherwise unable to serve, are:
