Thank you for the prompt reply about Divine Global Recovery.

We have been working with someone you know well to help us navigate these steps, RJ Malloy. I believe he talked to you about us.

Our co-founder formed the company as an LLC on February 22nd before my involvement began and before RJ began advising us. He didn't know and made an honest mistake. So that's why we dissolved the LLC and did the correct filing for a Florida Non Profit for Divine Global Recovery. The name perfectly fits our mission to provide assistance after natural disasters so we do not want to change it. I added Inc. To comply with what the non profit filing told us to do. The LLC has been dissolved and under no conditions will it be resurrected in any way, shape or form.

RJ advised me to explain to you why we dissolved the LLC and restarted with the hopes of keeping the same name.

Thank you for any and all assistance in this matter.

Sincerely,

Pete O'Shea
