The powers of the Master Association shall include and be governed by the following:

5.5 Limitation. Notwithstanding anything contained in the Master Declaration, the By-Laws or these Articles to the contrary, before commencing litigation against any party in the name of the Master Association involving amounts in controversy in excess of One Hundred Thousand and No/100 Dollars (\$100,000.00), the Master Association must obtain the affirmative approval of a majority of the voting interests at a meeting of the membership at which a quorum has been attained. The powers of the Master Association shall be subject to and shall be exercised in accordance with the provisions hereof and of the Master Declaration, the By-Laws and applicable law, provided that in the event of conflict, the provisions of applicable law shall control over those of the Master Declaration and By-Laws.

ARTICLE 6 MEMBERS

6.1 Membership. The Members of the Master Association shall consist of the Declarant and all persons or entities who are, from time to time, the record Owner of a fee interest in any Parcel, provided, however, that as to any Condominium Parcel, each Unit Owner shall be deemed to be a Member of the Master Association. Notwithstanding anything else to the contrary, any such person or entity who holds such interest merely as security for the performance of an obligation shall not be a Member of the Master Association.

6.2 Assignment. The share of a Member in the funds and assets of the Master Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to the Parcel (including any Condominium Unit) for which that share is held.

6.3 Voting. The Master Association shall have two (2) classes of voting membership:

Class A Members shall be all those Owners (including Condominium Unit Owners), as defined in Section 6.1, with the exception of the "Declarant" (as long as the Class B Membership shall exist, and thereafter, the Declarant shall be a Class A Member to the extent it would otherwise qualify). Each Parcel submitted as part of The Properties shall have the following number of votes (and a Parcel that has not been submitted to The Properties shall have no voting rights):

Residential 777 Parcel - 146 votes

Commercial Parcel Restaurant - 155 votes

If additional Parcels are added to The Properties, any such Parcels shall have the votes assigned to them in the Supplemental Declaration adding the Parcel(s) to The Properties.

Notwithstanding the foregoing, Class A Members who are governed by a Parcel Specific Manager (e.g., a Parcel submitted to the condominium form of ownership) shall only vote through a Voting Member and said Class A Members shall be entitled to elect from among themselves, respectively, one Voting Member for each such Parcel, each such Voting Member to have and cast the number of votes equal to the aggregate of the votes entitled to be cast by the Owners within the applicable Parcel. The first election of such Voting Member for a particular Parcel shall be conducted at or immediately following the meeting at which control of such Parcel Specific Manager is turned over to its members other than the developer/declarant (i.e., at which the non-developer or declarant members elect a majority of the board of directors) and prior to such time, the Voting Member for the members within the Parcel Specific Manager shall be the developer of the community governed by the Parcel Specific Manager. At such time, and at all times thereafter, the Parcel Specific Manager shall elect its Voting Member in the same manner as it elects its board of directors, subject to the same rules as those applicable to its directors as to the term of office, removal, replacement and other matters. In the event that the members of a Parcel Specific Manager do not elect a Voting Member, the President of such Association shall perform the duties of the Voting Member.

Class B Member. The Class B Voting Member shall be the Declarant, or a representative thereof, who shall have and cast one (1) vote in all Master Association matters, plus two (2) votes for each vote which may be cast, in the aggregate, by the Class A Members and/or Voting Members. Such Class B Voting Member may be removed and replaced by the Declarant in its sole discretion. The Class B Membership shall cease and terminate at such time as the Declarant elects, but in no event later than the time period set forth in Section 6.5 below.

All votes shall be exercised or cast in the manner provided by the Master Declaration and By-Laws.

6.4 Meetings. The By-Laws shall provide for an annual meeting of Members, and may make provision for regular and special meetings of Members other than the annual meeting.

6.5 Turnover. Unless the Class B Voting Member elects to terminate the Class B Membership sooner, the Class B Membership shall cease and terminate three (3) months after ninety (90%) percent of the aggregate of the Units (which are part of any Condominium Parcels) and Parcels (which are not a Condominium

Parcel) that will be operated ultimately by the Master Association (including those which may be within the Future Development Property, unless Declarant has put of record a written certification relinquishing the right to submit the Future Development Property to The Properties) have been conveyed to purchasers (other than purchasers who are builders, contractors, or others who purchase a Parcel for the purpose of constructing improvements thereon for resale). The Declarant is entitled (but not obligated) to designate at least one (1) member of the Board of Directors as long as the Declarant holds for sale in the ordinary course of business five percent (5%) of the Units (as to Condominium Parcels) and Parcels that will be operated ultimately by the Master Association (including those which may be within the Future Development Property, unless Declarant has put of record a written certification relinquishing the right to submit the Future Development Property to The Properties).

The Declarant may transfer control of the Master Association to Unit Owners other than the Declarant prior to such dates in its sole discretion by causing enough of its appointed Directors to resign, whereupon it shall be the affirmative obligation of Unit Owners other than the Declarant to elect Directors and assume control of the Master Association. Provided at least thirty (30) days' notice of Declarant's decision to cause its appointees to resign is given to Unit Owners, neither the Declarant, nor such appointees, shall be liable in any manner in connection with such resignations even if the Unit Owners other than the Declarant refuse or fail to assume control.

If it is not accepted, then the surface water management system must be dedicated to a similar non-profit corporation.

ARTICLE 10 DIRECTORS

10.1 Number and Qualification. The property, business and affairs of the Master Association shall be managed by a Board of Directors, which shall consist of three (3) persons appointed by the Declarant for so long as the Class B Membership exists. At such time as the Class B Membership expires, the Board shall also consist of three (3) persons. A majority of the directors in office shall constitute a quorum for the transaction of business. Directors need not be Members of the Master Association.

10.2 Duties and Powers. All of the duties and powers of the Master Association existing under the Act, the Master Declaration, these Articles and the By-Laws shall be exercised exclusively by the Board of Directors, its agents, managers, contractors or employees, subject only to approval by Unit Owners through their Voting Members when such approval is specifically required.

10.3 Appointment/Election of Members of Board of Directors. From and after the time that the Class B Membership expires, Directors of the Master

Association shall be elected at the annual meeting of the Members in the manner determined by and subject to the qualifications set forth in the By-Laws. Directors may be removed and vacancies on the Board of Directors shall be filled in the manner provided by the By-Laws.

10.4 Term of Declarant's Directors. The Declarant shall appoint the Members of the first Board of Directors and their replacements who shall hold office for the periods described in the By-Laws.

10.5 First Directors. The names and addresses of the Members of the first Board of Directors who shall hold office until their successors are elected and have taken office, as provided in the By-Laws, are as follows:

<u>NAME</u>	<u>ADDRESS</u>

10.6 Standards. A Director shall discharge his/her duties as a director, including any duties as a Member of a Committee: in good faith; with the care an ordinary prudent person in a like position would exercise under similar circumstances; and in a manner reasonably believed to be in the best interests of the Master Association. Unless a Director has knowledge concerning a matter in question that makes reliance unwarranted, a Director, in discharging his duties, may rely on information, opinions, reports or statements, including financial statements and other data, if prepared or presented by: one or more officers or employees of the Master Association whom the Director reasonably believes to be reasonable and competent in the manners presented; legal counsel, public accountants or other persons as to matters the Director reasonably believes are within the persons' professional or expert competence; or a Committee of which the Director is not a Member if the Director reasonably believes the Committee merits confidence. A Director is not liable for any action taken as a director, or any failure to take action, if he/she performed the duties of his/her office in compliance with the foregoing standards.

ARTICLE 11

INDEMNIFICATION PROVISIONS

11.1 Indemnitees. The Master Association shall indemnify any person who was or is a party to any proceeding (other than an action by, or in the right of, the Master Association) by reason of the fact that he/she/it is or was a Director, officer, manager, employee or agent (each, an "Indemnitee") of the Master Association, against liability incurred in connection with such proceeding, including any appeal thereof, if he/she/it acted in good faith and in a manner he/she/it reasonably believed to be in, or not opposed to, the best interests of the Master Association and, with respect to any criminal action or proceeding,

had no reasonable cause to believe his/her/its conduct was unlawful. The termination of any proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he/she/it reasonably believed to be in, or not opposed to, the best interests of the Master Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his/her/its conduct was unlawful.

11.2 Indemnification. The Master Association shall indemnify any person, who was or is a party to any proceeding (or any threat of same) by or in the right of the Master Association to procure a judgment in its favor by reason of the fact that he/she/it is or was a Director, officer, manager, employee, or agent of the Master Association against expenses and amounts paid in settlement not exceeding, in the judgment of the Board of Directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall be authorized if such person acted in good faith and in a manner he/she/it reasonably believed to be in, or not opposed to, the best interests of the Master Association, except that no indemnification shall be made under this Section in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such court shall deem proper.

11.3 Indemnification for Expenses. To the extent that a Director, officer, manager, employee, or agent of the Master Association has been successful on the merits or otherwise in defense of any proceeding referred to in Section 11.1 or 11.2, or in defense of any claim, issue, or matter therein, he/she/it shall be indemnified against expenses actually and reasonably incurred by him/her/it in connection therewith.

11.4 Determination of Applicability. Any indemnification under Section 11.1 or Section 11.2, unless pursuant to a determination by a court, shall be made by the Master Association only as authorized in the specific case upon a determination that indemnification of the Director, officer, manager, employee, or agent is proper under the circumstances because he/she/it has met the applicable standard of conduct set forth in Section 11.1 or Section 11.2. Such determination shall be made in the following order of priority:

- (a) By the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such proceeding;
- (b) If such a quorum is not obtainable or, even if obtainable, by majority vote of a Committee duly designated by the Board of Directors (in which Directors who are parties may participate) consisting solely of two or more Directors not at the time parties to the proceeding;
- (c) By independent legal counsel:

(i) selected by the Board of Directors prescribed in paragraph (a) or the Committee prescribed in paragraph (b); or

(ii) If a quorum of the Directors cannot be obtained for paragraph (a) and the Committee cannot be designated under paragraph (b), selected by majority vote of the full Board of Directors (in which Directors who are parties may participate); or

(d) By a majority of the voting interests of the Members of the Master Association who were not parties to such proceeding.

11.5 Determination Regarding Expenses. Evaluation of the reasonableness of expenses and authorization of indemnification shall be made in the same manner as the determination that indemnification is permissible. However, if the determination of permissibility is made by independent legal counsel, persons specified by Section 11.4 shall evaluate the reasonableness of expenses and may authorize Indemnification.

11.6 Advancing Expenses. Expenses incurred by an officer, Director or manager in defending a civil or criminal proceeding (or any threat of same) may be paid by the Master Association in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such Director, officer or manager to repay such amount if he/she/it is ultimately found not to be entitled to indemnification by the Master Association pursuant to this Article 11. Expenses incurred by other employees and agents may be paid in advance upon such terms or conditions that the Board of Directors deems appropriate.

11.7 Exclusivity; Exclusions. The indemnification and advancement of expenses provided pursuant to this Article 11 are not exclusive, and the Master Association may make any other or further indemnification or advancement of expenses to any of its Directors, officers, employees, managers or agents, under any bylaw, agreement, vote of Members or disinterested Directors, or otherwise, both as to action in his/her/it official capacity and as to action in another capacity. However, indemnification or advancement of expenses shall not be made to or on behalf of any Director, officer, employee, manager or agent if a judgment or other final adjudication establishes that his/her/its actions, or omissions to act, were material to the cause of action so adjudicated and constitute:

(a) A violation of any criminal law, unless the Director, officer, manager, employee, or agent had reasonable cause to believe his/her/its conduct was lawful or had no reasonable cause to believe his/her/its conduct was unlawful;

(b) A transaction from which the Director, officer, employee, manager, or agent derived an improper personal benefit; or

(c) Willful misconduct or a conscious disregard for the best interests of the Master Association in a proceeding by or in the right of the Master Association to procure a judgment in its favor or in a proceeding by or in the right of the Members of the Master Association.

11.8 Continuing Effect. Indemnification and advancement of expenses as provided in this Article 11 shall continue, unless otherwise provided when authorized or ratified, as to a person who has ceased to be a Director, officer, manager, employee, or agent and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of such a person, unless otherwise provided when authorized or ratified.

11.9 Application to Court. Notwithstanding the failure of the Master Association to provide indemnification, and despite any contrary determination of the Board or of the Members in the specific case, a Director, officer, employee, manager or agent of the Master Association who is or was a party to a proceeding may apply for indemnification or advancement of expenses, or both, to the court conducting the proceeding, to the circuit court, or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice that it considers necessary, may order indemnification and advancement of expenses, including expenses incurred in seeking court-ordered indemnification or advancement of expenses, if it determines that:

(a) The Director, officer, employee, or agent is entitled to mandatory indemnification under this Article 11 in which case the court shall also order the Master Association to pay the Director reasonable expenses incurred in obtaining court-ordered indemnification or advancement of expenses;

(b) The Director, officer, employee, manager or agent is entitled to indemnification or advancement of expenses, or both, by virtue of the exercise by the Master Association of its power pursuant to Section 11.7; or

(c) The Director, officer, employee, manager or agent is fairly and reasonably entitled to indemnification or advancement of expenses, or both, in view of all the relevant circumstances, regardless of whether such person met the standard of conduct set forth in Section 11.1, Section 11.2, or Section 11.7, unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed Indemnitee, that he/she/it did not act in good faith or acted in a manner he/she/it reasonably believed to be not in, or opposed to, the best interest of the Master Association, and, with respect to any criminal action or proceeding, that he/she/it had reasonable cause to believe his/her/its conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or did act in a manner which he/she/it reasonably believed to be not in, or opposed to, the best interest of the Master Association, and, with respect to any criminal action or proceeding, that he/she/it had reasonable cause to believe that his/her its conduct was unlawful.

11.10 Definitions. For purposes of this Article 11, the term "person" shall mean an individual (and the heirs, executors, administrators, or other legal

representatives of an individual), a partnership, a limited liability company, a corporation or any other legal entity; the term "expenses" shall be deemed to include attorneys' fees and actual "out-of-pocket" expenses, including those for any appeals; the term "liability" shall be deemed to include obligations to pay a judgment, settlement, penalty, fine, and expenses actually and reasonably incurred with respect to a proceeding; the term "proceeding" shall be deemed to include any threatened, pending, or completed action, suit, or other type of proceeding, whether civil, criminal, administrative or investigative, and whether formal or informal; and the term "agent" shall be deemed to include a volunteer; the term "serving at the request of the Master Association" shall be deemed to include any service as a Director, officer, manager, employee or agent of the Master Association that imposes duties on any such persons.

11.11 Amendment. Anything to the contrary herein notwithstanding, no amendment to the provisions of this Article 11 shall be applicable as to any person eligible for indemnification hereunder who has not given his/her/its prior written consent to such amendment.

ARTICLE 12 BY-LAWS

The first By-Laws of the Master Association shall be adopted by the Board of Directors and may be altered, amended or rescinded in the manner provided in the By-Laws and the Master Declaration.

ARTICLE 13 AMENDMENTS

Amendments to these Articles shall be proposed and adopted in the following manner:

13.1 Notice. 13.3 Declarant Amendments. Notwithstanding anything herein contained to the contrary, to the extent lawful, the Declarant may amend these Articles consistent with the provisions of the Master Declaration allowing certain amendments to be effected by the Declarant alone.

13.4 Recording. A copy of each amendment shall be filed with the Secretary of State pursuant to the provisions of applicable Florida law, and a copy certified by the Secretary of State shall be recorded in the public records of Miami-Dade County, Florida with an identification on the first page thereof of the

book and page of said public records where the Master Declaration was recorded which contains, as an exhibit, the initial recording of these Articles.
