Pursuant to the provisions of section 617.1006, Florida Statutes, this Florida Not For Profit Corporation adopts the following amendment(s) to its Articles of Incorporation:

**Article III PURPOSE**

**CHANGE TO READ AS FOLLOWS**

The purpose of this organization is to provide a comprehensive support system for struggling grassroots startup nonprofits. We offer assistance in several key areas:

**Information Clearinghouse:**

We serve as a central repository of valuable information, helping nonprofits navigate the complexities of the sector. This includes best practices, regulatory updates, and strategic advice tailored to the unique challenges of grassroots organizations.

**501(c)(3) Status:**

We guide organizations through the intricate process of obtaining and maintaining 501(c)(3) status, ensuring they meet all federal and state regulatory requirements. This includes assistance with paperwork, compliance guidelines, and ongoing support to maintain good standing.

**Fundraising and Grants:**

We provide expert assistance with developing effective fundraising strategies and acquiring grants. Our services include identifying potential funding sources, crafting compelling grant proposals, and implementing successful fundraising campaigns to secure essential financial resources.

**Scholarships:**

We offer scholarships to cover startup expenses, which may include legal and accounting services, marketing, technology infrastructure, and other critical needs necessary for a nonprofit's launch and early operations.

All these services are provided pro bono by a dedicated team of retired and semi-retired accountants and lawyers who volunteer their time and expertise, ensuring high-quality support without the financial burden.

In addition to our support services, we emphasize education as a cornerstone of nonprofit success. We conduct a variety of seminars and workshops designed to equip nonprofit leaders with the knowledge and skills they need to thrive. These educational opportunities cover a wide range of topics, including:

**Governance:**

Understanding the roles and responsibilities of board members and organizational leadership.

**Compliance:**

Navigating legal and regulatory requirements to maintain nonprofit status.

**Strategic Planning:**

Developing long-term plans that align with the organization's mission and goals.

**Fundraising Techniques:**

Implementing effective fundraising strategies, donor engagement, and grant writing.

**Financial Management:**

Best practices for budgeting, accounting, and financial oversight.

Furthermore, we foster a collaborative network of nonprofits, facilitating the exchange of valuable insights and best practices. Through this network, nonprofit leaders can connect, learn from one another, and work together to amplify their impact, creating a supportive community dedicated to mutual success.

All these services and resources are offered through our Nonprofit Hub at [www.blessedtogivehub.org](http://www.blessedtogivehub.org), a centralized platform where nonprofits can access the support, education, and network they need to flourish.
