Subject: Resignation from the Position of Principal Vocal

Dear FICOP Board of Directors,

I trust this letter finds you well. It is with a heavy heart and after considerable thought that I hereby tender my resignation as Principal Vocal of the FICOP Board of Directors, effective immediately. I am compelled to take this step due to some unaddressed concerns which, I believe, have hampered my ability to optimally perform my duties and to partake constructively in decision-making.

During my tenure, I have unfortunately noted a growing divergence between my delineated role and the actual level of involvement I have been granted. In my capacity as Principal Vocal, my mandate entails active participation in board meetings and robust contribution to the decision-making process (By Laws art #48). However, these meetings have often proceeded without my involvement, leading to a systemic silencing of my perspective and thus curbing my potential contribution to the board.

Furthermore, I have found myself at odds with the methodology adopted for decision-making and execution within the board. The current approach, in my view, does not align with the principles of professional ontological coaching, a philosophy that I deeply respect and adhere to. Ontological coaching encourages thoughtful dialogue, empathy, active listening, and emotional intelligence in decision-making, elements which seem lacking in the current framework of our operations.

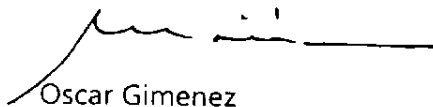

I kindly request that, in light of my resignation, my name and details be removed from all relevant documents and records, including those on the Florida Sunbiz platform, our official website, and signatures linked to our organization's bank accounts. This should be undertaken at the earliest possible convenience to avoid any potential confusion or miscommunication. Florida Sunbiz Corporations' Regulations allow for amendments (changes) to be done throughout the entire year. This includes changes in board members, articles of incorporation, Corporation name, addresses, or other information about the Corporation. There is a small fee each time a Corporation requests amendments. (<https://dos.myflorida.com/sunbiz/manage-business/efile/annual-report/>)

I have taken this decision after much introspection and thorough deliberation, and though it is regrettable, it is necessary due to the outlined concerns. I maintain a high regard for the mission of FICOP and sincerely hope that the board will take the necessary steps to align its operational strategies with its stated values and principles.

I extend my heartfelt gratitude for the opportunity to serve on the FICOP and for the experiences I have garnered during my tenure. It is my hope that my concerns will be acknowledged and that they will instigate a positive shift in how the board's affairs are managed.

Thank you for your understanding, and I appreciate your prompt attention to the aforementioned requests.

Sincerely,

Oscar Gimenez
