To Whom it May Concern,

As pertains to Melanated Growers Inc, document N23000000708, filed on 01/19/2023, I filed a Voluntary Dissolution as the original incorporator on 05/09/2023. The business had no operations at that time outside of a website that was started without authorization by Erica McRae. There are no bylaws written, nor procedures for dissolution, which makes it a false Not for Profit in the state of Florida. False information is provided on document number N23000000708, as my address, 1722 Chandelier Cir E. is **not** authorized as the principal address of this entity. My name is no longer associated with this now dissolved entity, and I do not authorize being listed as the Registered Agent, nor receiving mail on behalf of the dissolved entity. Erica McRae, who is not a resident of Florida or a business owner in Florida, and lives at 450 Al Henderson Blvd Unit 1109, Savannah, GA, 31419, filed a revocation of the dissolution under false information and without authority, as she was not the incorporator. I am in no way affiliated with this entity. The correct entities that I am affiliated with are Melanated Growers Foundation Inc (Document number N230000006253 and Melanated Growers Inc. LLC (Document number L23000230751. Please remove my name, address, and all other information associated with me, Lisa Corprew, from document Number N23000000708. Thank you.
