## Attachment to Articles of Incorporation of The ScienceSIS Foundation Inc.

Said organization is organized exclusively for charitable, religious, educational, and scientific purposes, including, for such purposes, the making of distributions to organizations that qualify as exempt organizations under the section 501 (c) (3) of the Internal Revenue Code, or corresponding section of any future federal tax code. The business activity for said organization is as follows: to inspire, educate, and empower young girls in grades K through 6 who have an interest in Science, Technology, Engineering, and Mathematics (STEM) fields. Our non-profit organization is dedicated to fostering a passion for learning and exploration while breaking down barriers that hinder girls' participation and success in STEM disciplines. Our primary focus is on creating an environment that cultivates curiosity, confidence, and creativity among girls, leading to a lifelong journey of discovery. Through innovative programs, workshops, and resources, we aim to:

**Ignite Curiosity:** We believe in the power of curiosity to drive learning. Through interactive activities, hands-on experiments, and engaging challenges, we strive to ignite a sense of wonder and inquiry in young minds.

**Build Resilience:** Confidence is a key ingredient for success. Our organization is committed to building girls' self-assurance, helping them embrace challenges, and developing the resilience needed to persevere in the face of adversity.

**Cultivate Critical Skills:** STEM education is more than just acquiring knowledge; it's about honing critical skills such as problem-solving, teamwork, and communication. Our programs aim to equip girls with these essential skills, setting them up for success in any endeavor they pursue.

**Provide Role Models:** Representation matters. By connecting girls with inspirational women who have excelled in STEM fields, we aspire to broaden their horizons and show them the boundless possibilities that await.

**Nurture Lifelong Learning:** Learning is a lifelong journey. Our organization is committed to fostering a love for continuous learning and encouraging girls to remain curious, adaptable, and open to exploring new frontiers in the world of STEM.

At The ScienceSIS Education Foundation, we are dedicated to leveling the playing field, ensuring that every girl has the opportunity to dream big and reach her potential. Our vision is a world where gender is not a barrier to achievement in STEM and where girls are empowered to lead with knowledge and innovation.

No part of the net earnings of this organization shall inure to the benefit of, or be distributable to, its members, trustees, officers, or other private persons, except that the organization shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of the purposes set forth in the purpose clause hereof. No substantial part of the activities of this organization shall be the carrying on of propaganda, or otherwise attempting to influence legislation, and this organization shall not participate in, or intervene in (including the publishing or distribution of statements), any political campaign on behalf of any candidate for public office. Notwithstanding any other provision of this document, the corporation shall not carry on any
