ARTICLE VI **DISSOLUTION OF THE ASSOCIATION**

Upon dissolution of the Association, all of its assets remaining after provision for creditors and payment of all costs and expenses of such dissolution shall be distributed in the following manner and order:

6.1 As required by Florida law:

6.2 As set forth in the Declaration:

6.3 Any portion of the Property then owned by Declarant and that has not been theretofore conveyed or dedicated to the Association shall be automatically deemed withdrawn by Declarant, with Declarant thereafter authorized to further evidence the withdrawal of said Property by execution of a Supplemental Declaration describing the real property withdrawn, which Declarant may then record in the Public Records; and

6.4 Except as otherwise set forth in the Declaration, conveyance to a not-for-profit corporation homeowners' association similar to the Association or conveyance or dedication to any applicable Governmental Authority determined by the Board to be appropriate for such conveyance or dedication, which Governmental Authority is willing to accept such conveyance or dedication, of any property, duties, and responsibilities of the Association, which association or Governmental Authority shall then be responsible for the operation and maintenance thereof. With respect to the Association's responsibility for the operation and maintenance of the Surface Water Management System and Conservation Easement Areas, such obligation must be transferred to and be accepted by an entity which satisfies the requirements of Rule 62-330.310 of the Florida Administrative Code, and District Applicant's Handbook Volume 1, Section 12.3 and be approved by the District prior to such dissolution. If no other association or Governmental Authority will accept such property, duties and responsibilities, then it will be conveyed to a trustee appointed by the Circuit Court of Polk County, Florida, which trustee shall sell such property free and clear of the limitations imposed by the Governing Documents upon terms established by the Circuit Court of Polk County, Florida. That portion of the Property consisting of the Surface Water Management System and Conservation Areas cannot be altered, changed or sold separate from the lands associated therewith. The proceeds of such a sale shall first be used for the payment of any debts or obligations constituting a lien on such property, then for the payment of any obligations incurred by the trustee in the operation, maintenance, repair and upkeep of such property. The excess proceeds, if any, from the property shall be distributed among Members in a proportion that is equal to the proportionate share of such Members in the Common Expenses of the Association.
