Re: N23804 Suncoast Community Support Aux., Inc. Status

To Whom It May Concern:

The above organization was founded by family members of veterans receiving mental health services at the VA Medical Center at Bay Pines, Florida to raise the level of awareness as to their needs through education and charitable activities on their behalf.

In 1999, I had served as the President of said organization 20yrs. Due to deaths in the family, I moved permanently to Georgia in April 1997. I continued to serve through the year 2000 and 2001.

However, as of January 1, 2002 I am resigning the office as the remaining members in Florida have elected new officers to have proper control over this non-profit organization.

All future correspondence needs to be sent to the Suncoast Community Support Auxiliary, Inc., 1000 Bay Pines Blvd., P.O. Box 4087, Bay Pines, Florida 33744 to the attention of Mr. Terrence Huck, president (current).

Thank you for your attention to this matter. I enclose \$35.00 as specified on the phone call this morning by the Div. of Corporations.

Very truly yours,

Bonnie Banks, resigning president
