10.5 Standards. A Director shall discharge his or her duties as a director in good faith; with the care an ordinary prudent person in a like position would exercise under similar circumstances; and in a manner reasonably believed to be in the best interests of the Association. Unless a Director has knowledge concerning a matter in question that makes reliance unwarranted, a Director, in discharging his or her duties, may rely on information, opinions, reports or statements, including financial statements and other data, if prepared or presented by: one or more officers or employees of the Association whom the Director reasonably believes to be reasonable and competent in the matters presented; legal counsel, public accountants or other persons as to matters the Director reasonably believes are within the persons' professional or expert competence; or a committee of which the Director is not a member if the Director

reasonably believes the committee merits confidence. A Director is not liable for any action taken as a director, or any failure to take action, if he performed the duties of his or her office in compliance with the foregoing standards.

ARTICLE 11

INDEMNIFICATION

11.1 Indemnitees. The Association shall indemnify any person who was or is a party to any proceeding (other than an action by, or in the right of, the Association) by reason of the fact that he or she is or was a director, officer, employee or agent (each, an "Indemnitee") of the Association, against liability incurred in connection with such proceeding, including any appeal thereof, if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

11.2 Indemnification. The Association shall indemnify any person, who was or is a party to any proceeding, or any threat of same, by or in the right of the Association to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee, or agent of the Association against expenses and amounts paid in settlement not exceeding, in the judgment of the Board of Directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall be authorized if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association, except that no indemnification shall be made under this Article 11 in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

11.3 Indemnification for Expenses. To the extent that a director, officer, employee, or agent of the Association has been successful on the merits or otherwise in defense of any proceeding referred to in subsection 11.1 or subsection 11.2, or in defense of any claim, issue, or matter therein, he or she shall be indemnified against expenses actually and reasonably incurred by him or her in connection therewith.

11.4 Determination of Applicability. Any indemnification under subsection 11.1 or subsection 11.2, unless pursuant to a determination by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper under the circumstances because he or she has met the

applicable standard of conduct set forth in subsection 11.1 or subsection 11.2. Such determination shall be made:

(a) By the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such proceeding;

(b) If such a quorum is not obtainable or, even if obtainable, by majority vote of a committee duly designated by the Board of Directors (in which directors who are parties may participate) consisting solely of two or more Directors not at the time parties to the proceeding;

(c) By independent legal counsel:

(i) selected by the Board of Directors prescribed in paragraph 11.4(a) or the committee prescribed in paragraph 11.4(b); or

(ii) if a quorum of the Directors cannot be obtained for paragraph 11.4(a) and the committee cannot be designated under paragraph 11.4(b), selected by majority vote of the full Board of Directors (in which Directors who are parties may participate); or

(d) By a majority of the voting interests of the members of the Association who were not parties to such proceeding.

11.5 Determination Regarding Expenses. Evaluation of the reasonableness of expenses and authorization of indemnification shall be made in the same manner as the determination that indemnification is permissible. However, if the determination of permissibility is made by independent legal counsel, persons specified by paragraph 11.4(c) shall evaluate the reasonableness of expenses and may authorize indemnification.

11.6 Advancing Expenses. Expenses incurred by an officer or director in defending a civil or criminal proceeding, or any threat of same, may be paid by the Association in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if he is ultimately found not to be entitled to indemnification by the Association pursuant to this Article. Expenses incurred by other employees and agents may be paid in advance upon such terms or conditions that the Board of Directors deems appropriate.

11.7 Exclusivity; Exclusions. The indemnification and advancement of expenses provided pursuant to this Article are not exclusive, and the Association may make any other or further indemnification or advancement of expenses of any of its directors, officers, employees, or agents, under any Bylaw, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office. However, indemnification or advancement of expenses shall not be made to or on behalf of any director, officer, employee, or agent if a judgment or other final adjudication establishes that his or her actions, or omissions to act, were material to the cause of action so adjudicated and constitute:

(a) A violation of the criminal law, unless the director, officer, employee, or agent had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe his or her conduct was unlawful;

(b) A transaction from which the director, officer, employee, or agent derived an improper personal benefit; or

(c) Willful misconduct or a conscious disregard for the best interests of the Association in a proceeding by or in the right of the Association to procure a judgment in its favor or in a proceeding by or in the right of the members of the Association.

11.8 Continuing Effect. Indemnification and advancement of expenses as provided in this Article 11 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person, unless otherwise provided when authorized or ratified.

11.9 Application to Court. Notwithstanding the failure of the Association to provide indemnification, and despite any contrary determination of the Board or of the members in the specific case, a director, officer, employee, or agent of the Association who is or was a party to a proceeding may apply for indemnification or advancement of expenses, or both, to the court conducting the proceeding, to the circuit court, or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice that it considers necessary, may order indemnification and advancement of expenses, including expenses incurred in seeking court-ordered indemnification or advancement of expenses, if it determines that:

(a) The director, officer, employee, or agent is entitled to mandatory indemnification under subsection 11.3, in which case the court shall also order the Association to pay such individual's reasonable expenses incurred in obtaining court-ordered indemnification or advancement of expenses;

(b) The director, officer, employee, or agent is entitled to indemnification or advancement of expenses, or both, by virtue of the exercise by the Association of its power pursuant to subsection 11.7; or

(c) The director, officer, employee, or agent is fairly and reasonably entitled to indemnification or advancement of expenses, or both, in view of all the relevant circumstances, regardless of whether such person met the standard of conduct set forth in Sections 11.1, 11.2, or 11.7, unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed Indemnitee, that he or she did not act in good faith or acted in a manner he or she reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he or she had reasonable cause to believe his or her conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in
